## \$325,000 CITY REFERENDUM

### New City Post Office Authorized

#### Expect Bid Letting in Six Weeks

Postmaster Roy I. Kufalk said today he has been advised by Post Office Department officials that a new post office building has been authorized for Antioch.

This announcement, Postmaster Kufalk was advised, coincides with the optioning by Post Office Department Regional officials of a building site meeting the Departmental requirements as to cost, area, and location.

The site is a 66 by 206 and 66 by 83 foot lot located on the north side of Orchard street directly opposite of Broadway. The optioners are Mr. and Mrs. John L. Horan, 407 Orchard Street, Antioch.

Postmaster Kufalk was informed by the Department that a new building will be constructed under the Department's Commercial Leasing Program, which utilizes the resources and investment funds of private enterprise to obtain needed postal buildings.

The new post office at Antioch will contain about 4,350 square feet of interior floor space, plus a loading platform and adequate parking and truck maneuvering areas.

According to Postmaster Kufalk, bidding forms, specifications and other pertinent data will be available to prospective bidders in about six weeks, at which time the Department will advertise for bids. The site option will be transferred to the successful bidder, who will purchase the land, construct the building to specifications, and lease it to the Department on a long-term lease basis.

#### L. J. Durkin, News Columnist, in Race For Waukegan Post

Louis J. Durkin, newspaperman and author of Courthouse Notebook appearing in The Antioch News, is a primary candidate for mayor of Waukegan. Durkin, to run on the Republican ticket, filed an hour before the deadline last week for the city primary Feb. 28.

Durkin, who visited offices of The News recently, said his appearance in the race for mayor came as a "surprise" as he had no idea of being a candidate until this week when he learned petitions had been taken out in his behalf by friends.

This is Durkin's first venture into politics as a candidate although he has been close to the county political scene for many years as a reporter for the News-Sun and as a campaign publicist for various candidates and the Lake County Republican Central Committee.

Among those opposing Durkin will be Frank G. Wallin, former two-term mayor, who has filed for the Democratic mayoral nomination.

#### Two Grass Fires

The fire department went to work on two grass fires the past week with no damage reported. One, Jan. 11, was on the William Horton property, Rte. 173 and Deep Lake Rd.; the second was on Wood Dr., Felter Subd. on Monday.

#### They're Free

Income tax forms are available free from the local post office, Postmaster Roy Kufalk announced today.

#### A Big Day Awaits This Young Cadet

By Mrs. Pearl Kapell  
Cadet Elmer "Chip" Eberman, son of Mr. and Mrs. Elmer Eberman of Channel Lake will be 18 years old this Friday—and it will be a day he'll never forget.

Young Eberman, a cadet at the Merchant Marine Academy at King's Point, New York, will march in the Inauguration Day Parade in Washington in honor of President-elect John F. Kennedy.

He will also attend the Inaugural Ball in the evening, escorting Miss

READY FOR A TWIRL around Channel Lake on Go-Karts, newest ice sport in this area, are (left to right) Sue Smith, Channel Lake; Carol and Sandra Pyle, Grass Lake Rd.; and Susan and Barbara Bollerive, Elmhurst. To adapt the go-karts to ice, front wheels are removed and replaced with small runners. Rear wheels are banded with ring of cleats to give traction. A 3-hp motor drives the rig at up to 16 mph. According to Barney Skunneson, who opened the Go-Kart Ice Track last Sunday at his boat house on Channel Lake, the karts can't tip, and operate at comparatively low speeds. The ice track on the lake is open to all 9 years of age and over.

#### Form Club to Merge Arts Into Single Organization

A new community club to encourage interest in the three lively arts of art-drama-music was organized here Tuesday night.

Called "Palette, Masque and Lyre," the club intends to combine the three arts into one organization through the medium of productions, musicals and art festivals.

Club organizers stressed that the club will be primarily producer and sponsor rather than participant. The club will procure talent from all available local sources, and if desired, will seek outside performers, it was disclosed.

Losing no time, Club organizers today announced its first production, "Tender Trap," to be presented

April 28-29, at Antioch High School. Tryouts for this production will be held at 7:30 p. m. Wednesday and Thursday, Jan. 25-26, at the high school. All interested in any phase of the theatre, staging through acting, are urged to attend next week's session.

Club leadership will be exercised in an unusual manner. The director of the current activity being sponsored by the club will serve as interim club director during the course of his production.

Attending the initial organizational meeting Tuesday were John Jessup, Ken Smouse, George Olsar, William Cervenka, Joseph Kanka, Homer LaPlant and Howard Shepard.

#### Now is the Time For All Good Men To Come to the Aid of Their Party

A step up in political activity marks the approach of filing dates as both parties rolled in high gear for the approach April 4 elections.

The Citizen's Party of Lindenhurst will hold an open caucus at 4

p.m. Sunday in Venetian Village Hall to select candidates for police magistrate, village president and trustee.

Antioch Township delegates will assemble with fellow Republicans at 2 p.m. Saturday at McHenry High School, McHenry, to nominate a GOP candidate for circuit judge of the 19th Judicial District.

From Antioch Township will be Russell Holtz, Precinct 1; Charles Larsen, Precinct 2; Helen Burke, Precinct 4; and Fred Zeason, Precinct 6.

Meanwhile, Republican committeemen from Antioch, Lake Villa, Grant and Avon Townships, meeting earlier this week in Lake Villa, nominated John Stanton, Grant Township, for JP, District No. 1; and Carl W. Schmidt, Avon Township, for constable.

Democrats in District 1, have held no caucus to date.

#### Cub Bottle Pickup

Cub Scout Pack 300 will make its regular pop bottle pickup Saturday morning, Jan. 21. All empty pop bottles for pickup should be placed on the front porch. They will be picked up by noon. Funds received by returning these bottles are used in carrying out activities of the Cub Pack.

#### Join the Fun

Free ice skating day or night, is being offered at the boat docks of Chain O' Lakes state park. Lights are provided for night skating.

Park officials announced that there are facilities for making fires.

To get to the park, drive west on Grass Lake Road, following the signs, and turn right at Thailand Quarry.

#### Files for New Post of Town Assist. Supervisor

Three candidates have filed for township offices to date, L. R. Van Patten, Jr., town clerk announced today.

Nelson Gonyo, State Line Rd., in filing this week for the newly-created post of assistant supervisor, joins W. Richard Whitacre and Myrtle Biel, incumbents for six year terms on the library board, in announcing for April 4 elections.

Although play has been light since opening of filing Jan. 9, activities around the township reveal heavy action prior to the Feb. 13 deadline for filing, especially in view of several changes in the township office set-up.

April voting will be to fill the offices of three town auditors, one district justice of the peace, and a district constable in lieu of the five JP posts currently in force, and the new office of assistant supervisor.

Antioch Township, with a population of 8,700 becomes eligible for this post, for by law townships with populations exceeding 7,500 may have an assistant supervisor.

#### Check for Nuisance

LAKE VILLA — Go-Kart racing is being investigated as a result of complaint that the track north of here is a nuisance to residents. The track is said to come under township jurisdiction and an attorney is studying the situation as to legal action.

#### Local Leader Raps Gas Tax

W. V. Lahti of Antioch, newly elected chairman of the Northwestern Lake County Oil Council, today fired a blast at federal and state taxes on gasoline.

Lahti, owner of Lahti Oil Co. here, was named to the post at a meeting Monday night at the Hotel Faust in Rockford. Attending the session with him were Ray Toft, owner of Ray's Shell, Bill Yucus, owner of Bill's Texaco, and Marv Toepper, dispatcher for Lahti Oil Co.

The council adopted a resolution protesting "the high rate of state and federal gasoline taxes." They charged that state and federal taxes almost equal 50 per cent of the retail price of gasoline.

"Taxes on gasoline are so high that we are almost reaching the point of diminishing return," Lahti said. "No other product so essential

### Set Feb. 25 for Vote on Water, Disposal Issue

Antioch voters will trek to the polls next month to determine the outcome of a referendum authorizing the village to issue \$325,000 in general obligation bonds for certain improvements in sewer, water and disposal facilities.

In a special meeting Tuesday night, village board members set Feb. 25 as the date. Polling place will be the Village Hall, 875 N. Main St.

Bonds will be used for construction projects encompassing certain sewer corrections on North Main, Spafford and Victoria Streets, and water mains on Broadway to service the north section, Anita to complete the north circuit and Depot St. to service the north section; and

#### Board Votes P. Magistrate For Antioch

An ordinance creating the office of police magistrate here was passed by village board members last Tuesday night.

The ordinance calls for creation of the office, with the police magistrate to be elected at the general municipal election, to hold office for four years, and until a successor is elected.

The salary of the magistrate was set at \$1,200 per year, payable monthly.

Duties of the police magistrate will include keeping and maintaining a full and complete docket of all actions commenced before him, accurate account of monies received by him and the sources and disposition thereof; and such other records and accounts as required by statute or ordinance.

The new official will be required to post a bond of not less than \$2,000.

Voters will elect a police magistrate at the general municipal election April 18.

#### ATHS District Opens Year in Top Condition

Antioch Township High School District reported today that it is starting out the new year in A-1 financial shape.

On Jan. 1, the board of education had total investments of \$310,000 in U. S. Treasury long and short term notes. Several thousand dollars will be realized from the interest on these investments.

Officials reported that the district ended the July 1, 1960, fiscal year with a cash balance. Because of the cash balance and inter-fund borrowing, the board didn't have to secure loans from local banks until the Lake County treasurer's tax disbursement.

Officials said the district's condition is the soundest it has been in several years.

construction of a sewage treatment plant.

Although firm construction costs are forthcoming, preliminary reports, revealing serious weaknesses in the sewer system, call for:

A 6-inch sewer on North Main to be replaced with a 10-inch main at a cost of \$18,000; 6-inch sewer on Victoria to be replaced at a cost of \$10,000; installation of new mains in areas in question and development of activated sludge type sewage disposal system to service a population of up to 5,000.

In a move to acquaint village voters with all aspects of the proposal, President Merrill Cunningham disclosed that the Sewer and Water Committee, engineer David Miller, and the bonding houses Benjamin and Lang and M. B. Vick Co., will prepare brochures for mailing to voters, and are currently completing arrangements for a public meeting at which all aspects of the village improvement program will be outlined. Date of the public meeting was not firm at this time.

Under increasing pressure from state authorities who brand Antioch's existing disposal plant as insufficient for servicing the village, "We are compelled to act now or face state action," according to Cunningham.

Long-range projections indicate the need for a system to handle a population of up to 5,000 within the plainable future, it was stated.

Groundwork for the Feb. 25 referendum was laid at the Jan. 3 meeting of the board at which time the bonding firms of Benjamin & Lang and M. B. Vick Co. were awarded the bid submitted jointly.

The successful bidders offered a 3.95 rate on general obligation and 4.47 on revenue bonds. The general obligation bonds would be retired through taxes and the revenue bonds to be defrayed from revenue derived from sewer and water revenue.

In other action, the board passed an ordinance creating the office of police magistrate.

All board members were present at Tuesday night's meeting. The successful bonding firms were represented by Harold Walter, Benjamin & Lang, and Walter Gilman, M. B. Vick Co.

#### Dems Grid For April Elections

Edward Drisch, newly-installed president of the Antioch Democratic Club, said today that plans are now being made to run a Democratic slate of candidates in the Township elections April 4.

Drisch reported that he is highly encouraged by the rise in membership in the club, which was organized late last fall.

Other officers installed last week at Mark Turner Hall included John Matejka, vice president; Shirley Vaughan, recording secretary; Betty Haisma, corresponding secretary; Lillian Cooney, treasurer, and James Horan, sergeant-at-arms.

The group reported that about 50 people from the Antioch area attended the inaugural ball for Gov. Kerner in Springfield last week. Among them were:

Mr. and Mrs. Charles J. Cermak, Jr. (committeeman), Mr. and Mrs. Joe Valenza, Mr. and Mrs. Sylvester Silianoff, Mr. and Mrs. Leo Keisler, Mr. and Mrs. Ray Toft, Mr. and Mrs. James Steward, Mr. and Mrs. John Kipach, Mr. and Mrs. Nick Badame, Mr. and Mrs. Larry Perpoli, Mr. and Mrs. Richard Rosinski, Mr. and Mrs. Wes Reeves, Sr., Mr. and Mrs. George Jaros and Diane, and Don Poulter.

#### License Revoked

The drivers license of Raymond Skakal, Box 253, Lake Villa, has been revoked, according to announcement today from the Drivers License Div., office of Secretary of State Charles F. Carpenter. According to the division, the action was taken because license holder gave incorrect information on application for license.

#### \$575.13 Is Your Tab in Budget Submitted by Ike

The cost to Illinois of the \$80,865,000,000 spending budget for fiscal 1962, submitted to Congress Monday by President Eisenhower, amounts to \$5,798,000,000.

Applying this figure to Illinois' official 1960 total population of 10,081,158 as of April 1, 1960, this amounts to \$575.13 for each man, woman and child in the state and \$2,300.52 for each family unit of four.

Proposed 1962 budget is almost \$1.1 billion higher than the spending budget submitted by the President a year ago for fiscal 1961. Cost to Illinois of the 1961 federal budget was estimated at \$5,770,700,000.

# Sequoits Tripped; Frosh Rock RL 63-31

## 6 Straight For Squad; Sophs Win

Antioch High's junior cage squads came through with double wins over Round Lake last weekend to live up to basketball buffs, somewhat disconsolate over the fortunes of the luckless varsity.

The Soph squad rolled by Round Lake Friday evening 62-47 to give them a 2-3 record to date, while Roger Andrew's soaring freshmen dumped the Panther frosh the following morning 63-31 for their sixth straight win.

Paced by Lear and Nichol, Antioch freshmen jumped out in front 16-9 in the first quarter, extended this to 31-17 at the half and were never headed. Finishing out with two strong quarters, freshmen Sequoits scored 15 and 17 in the third and fourth compared to 8 and 6 for Round Lake.

Lear, with 19 points and Nichol with 13 were high for Antioch. Price scored virtually half of Round Lake's 31 points by dumping in seven field goals and 1 foul.

## Wauconda Wins Third Straight, 76-61 Over Rams

Wauconda came up with its third straight conference win to maintain its partial hold on third place by defeating the Grayslake Rams 76-61 last Friday.

Behind 12-4 in the opening minutes, the Bulldogs, led by Gordie Hughes with nine points, bounced back to take an 18-17 first-quarter lead. The Bulldogs came back with another 18-point quarter in the second and led 36-31 at halftime.

Grayslake cooled, sinking only two from the floor in the third quarter, while Wauconda netted 15 to stretch the lead to 53-42. The Rams, with 19 points in the fourth quarter, were again outscored 23-19.

A well-balanced squad, Wauconda's efforts were aided by the fine floor performance of Gordie Hughes, who wound up with 20 points, high for the evening, and Jack Cook, playmaker.

Accuracy played a big part in the win for Wauconda as the Bulldogs hit for a hot 54 percentage as compared to 25.0 for the Rams.

High for Wauconda was Hughes' 20, followed by LeLito 17, Coomes 13, Wasilas 8 and Frazer 7. High for Grayslake were Williams and Hawkins, each with 17, and Alderton and Pickett, 8 each.

The loss dropped Grayslake into the conference cellar with Antioch and Lake Forest, each with 1-4 records.

## Golden Glovers Start Training For Tournament

The Ingleside Boys' Club, under the direction of Louis A. Orr, held its first meeting in Shady Lane Grade School, Fox Lake, last Thursday, in preparation for the Rockford Golden Gloves Boxing Tournament in February.

Veterans Robert Schug and Bill Drews of Fox Lake, Jim Exon of Lake Villa, Jerry Bennett of Round Lake, Bob Wozniak and the White boys of Antioch, Bill Wallek of Grayslake, Jerry Hawkins from North Chicago, are expected to go far in this tournament. There is no charge for the instruction.

## World's Top Ski Champs to Jump At Fox River Gr.

The Norge Ski Club's 56th annual ski jumping tournament at Fox River Grove Sunday, Jan. 15, matches the ranking American performers against outstanding contestants from the Orient and Europe.

Included in entries are two Japanese jumpers, Kiyotaka Sakai and Yukio Sasaya, who made their first appearance in this country in the Eau Claire, Wis., tournament last Sunday; and Torbjorn Eggeseth, who competed for the Norwegian team in the Olympic Winter Games last year at Squaw Valley, and is an exchange student at Wenatchee, Wash.

The American Olympics will also compete in the Norge meet. Other U. S. Olympic skiers coming to the Norge meet are Gene Kotlarek of Duluth, Minn.; Willie Erickson, Dick Rahol and Bobby Wudin of Iron Mountain, Mich., and Rudi Maki of Ishpeming, Mich.

Coming from the far west is Jimmy Brennan of the Leavenworth Ski Club, Edmonds, Wash. Brennan won the national title last year on the Iron Mountain hill, equalling the American distance record of 316 feet. Ansten Samuelstuen established this record in 1956 at Steamboat Springs, Colo.

## Ela Moves into Third with 64-56 Win Over Lake F.

Ela-Vernon's cagers rallied in closing minutes of their game Friday with Lake Forest to win 64-56, thereby moving into a third-place tie with Wauconda in the Northwest Suburban Conference.

Anybody's game until the fourth quarter with Ela out in front 46-45, the Bears put on a kick that saw them sink 18 points to 11 for Lake Forest, giving them their third win in five league starts.

The loss dropped Lake Forest into a three-way tie for last place with Antioch and Grayslake, with one win against four losses.

The two squads battled to a 15-15 deadlock during the first quarter, with Ela taking leads of 32-20 at the half and 46-45 at the three-quarter mark.

Joe Shober and Dennis Elliott supplied the final kick for the Bears, each dropping in six points and doing a good job under the boards.

Helping was the ragged play of Lake Forest in the final stanza when it lost the ball five times in less than three minutes.

High scorer for Ela was Skinner, with 17, followed by Elliott, 16, Wright 12 and Shober 10. Leading scorers for Lake Forest were Roderwald 16, Ekdahl 12, Weshinsky 10 and Lindburg 8.

## Plan Hunting, Fishing Survey Here, Jan. 23

Information on the hunting and fishing activities of Lake Counties will be collected by the U. S. Census Bureau in a sample survey here starting Jan. 23. Data compiled in the Lake County survey will be added to that obtained in sample surveys in 332 other areas of the country to obtain information of number of individuals who engaged in recreational hunting and fishing in this country last year.

The last survey of this type, taken in 1956, revealed that some 25,000, 999 anglers and hunters spent nearly \$3 billion in pursuit of fish and game during 1955, for an average \$114 apiece.

## Panthers Net 23 Charities To Win 53-39

A bit of buckfever at the free throw line worked against Antioch's Sequoits Friday night at Round Lake and spelled the difference in their 53-39 loss to the Panthers.

In a low-scoring game, marked by ragged play, the Sequoits committed 38 personals, most of which occurred on defensive rebounds when they were outmaneuvered under the boards. The Panthers proceeded to sink 23 charities to 7 for Antioch, which proved adequate to offset Antioch's scant 10-15 advantage in field goals.

The Sequoits blistered the backboards for 63 attempts, but only 16 dropped in for a dreary 25.4 average, while Round Lake was only slightly more accurate, sinking 15 of 50 field-goal attempts for a .300 average.

The Panthers jumped off to an early 13-6 lead in the low-scoring first quarter and had built a one-sided 26-12 margin at the midway mark in the second. Les Herbst, Antioch's hope for conference honors, came to life and sank four straight and the Sequoits closed the gap to 26-20 at the half.

The Panthers continued to pile up the points, and jumped in front 40-33 in the third, with Antioch closing to five points, making the score 42-37 with five minutes to go. Krieger, who played a good all-around game for Antioch, went out on personals, and was followed by Herbst, and there went Antioch's hopes for the second victory in five starts.

Herbst, high game scorer with 17, was the only Sequoit who scored double figures, and was followed by Dudley Sheehan, who hit for 8 points in the last half, and Krieger, with five.

High for the Panthers were George Williams and Roy Johnson with 16 each, followed by Ted Peterson with 13.

Round Lake grabbed off a total of 31 rebounds, compared to 18 for the Sequoits.

## Warren Loses, Grant Wins in Non-League Play

Grant and Warren, fresh from Friday night's league encounter, won by the Blue Devils 68-67, to give them undisputed lead in the Northwest Suburban Conference, reversed the procedure the following night in non-league play with Grant edging a strong Maine High School 64-59 while Warren dropped a 67-55 decision to Zion.

Despite the loss of playmaker Mike Bartolette, Grant's Bulldogs came through with a stout 3-2 offense and man-to-man defense to hold Maine. Led by Raffel with 22 points and Hodge with 16, the Bulldogs came up with a sizzling 54 per cent of field goals made compared with 34.0 for Maine.

Larry Beshel dunked 30 points for Warren to continue his hot pace, but it wasn't enough as the Blue Devils dropped a 67-55 decision to Zion-Benton Saturday. Zion took an early lead and outscored the Blue Devils in all except the final quarter. Warren remained within striking distance in early stages and trailed 35-30 at the half. A 16-7 third quarter gave Zion a sound lead which it never relinquished.

Beshel, with 12 baskets and 6 charities, was the only Warren player to crack two columns. High for Zion were Murphy with 22 and Taylor 19.

## Scouts in Battle for First

The high-flying Antioch Scouts move into showdown territory this Sunday when they face the Grayslake Inlanders to settle a tie for first place in the Land O' Lakes League.

The clash is set for 4 p. m. at Grayslake High School. Both teams have a record of 5 wins and 2 losses. Heading Sunday's card will be a 1:30 p. m. contest between Wauconda and Fox Lake, followed by a Round Lake vs. Richmond tilt at 2:45 p. m.

The Scouts are fresh from a good showing at the Waukegan Recreation Board's holiday tourney, where they snagged second place honors by downing St. Mary's KJS of Waukegan, 68-59, and the Barwell A League team, 74-71.

The Antioch squad was beaten out in the finals by the Branch YMCA of Waukegan, 72-65, after jumping

off to a one-point lead at the half. The Scouts held their first-place position last Sunday when they trounced Richmond, 60-37, at Wauconda, in Land O' Lakes League play.

Richmond leaped off to a 6 to 4 lead, their largest edge of the game. Then the Scouts took over and held leads of as much as 7 points, ending up with a 5-point halftime advantage. Pacing the Scouts' first-half attack were Haviland with 10 points, Sid Parker and Pregenzer with 8 each.

The Scouts came back strong in the second half, extending their lead and continuing in full command the rest of the way. Leading the scoring were Haviland, Pregenzer and Parker. High point man for Richmond was Loren Miller with 28.

In other contests, Fox Lake won its first league game of the season,

beating Round Lake, 69-48, and Grayslake racked up its fifth win by shading Wauconda, 69-64.

## Warren Edges Grant, 68-67, To Take Conference Lead

Warren's Blue Devils, who have made a habit of taking the close ones (and most of the rest, for that matter), did it again 68-67 last Friday in Ingleside after trailing a favored Grant quintet until the final 35 seconds of play.

The victory puts the Blue Devils in first place in the Northwest Conference, with 5-0, dropping their closest rivals, Grant's Bulldogs, to second with a 4-1 record.

It was a heartbreaker for Grant, who grabbed an early 18-13 lead, boosted it to a 37-31 half-time advantage and were leading 67-46 with less than a minute remaining when Warren's Stan Flood sank two free throws to cap a Warren rally.

Game honors were reserved for Larry Beshel, Warren's playmaker, who tallied 33 points for the evening, nine of them in the final seven minutes of play.

Promise of a crowd-tingling game was set in opening moments, with the lead changing hands five times in that many minutes, with the Bulldogs gradually edging ahead. The game was nip and tuck all the way, with Grant in front 67-62 when Warren made its move. Beshel and Lahey both scored from the field to close the gap 67-66, at which time Flood sank his two charities to close out the thriller.

Grant was handicapped by the absence of Mike Bartolette, playmaker

and all-around player who is recovering from knee surgery. But Grant compounded the damage by erratic play that saw the Bulldogs losing the ball 14 times.

## \$325,000 CITY REFERENDUM

### New City Post Office Authorized

#### Expect Bid Letting in Six Weeks

Postmaster Roy I. Kufalk said today he has been advised by Post Office Department officials that a new post office building has been authorized for Antioch.

This announcement, Postmaster Kufalk was advised, coincides with the optioning by Post Office Department Regional officials of a building site meeting the Departmental requirements as to cost, area, and location.

The site is a 66 by 208 and 66 by 83 foot lot located on the north side of Orchard street directly opposite of Broadway. The optioners are Mr. and Mrs. John L. Horan, 407 Orchard Street, Antioch.

Postmaster Kufalk was informed by the Department that a new building will be constructed under the Department's Commercial Leasing Program, which utilizes the resources and investment funds of private enterprise to obtain needed postal buildings.

The new post office at Antioch will contain about 4,350 square feet of interior floor space, plus a loading platform and adequate parking and truck maneuvering areas.

According to Postmaster Kufalk bidding forms, specifications and other pertinent data will be available to prospective bidders in about six weeks, at which time the Department will advertise for bids. The site option will be transferred to the successful bidder, who will purchase the land, construct the building to specifications, and lease it to the Department on a long-term lease basis.

#### L. J. Durkin, News Columnist, in Race For Waukegan Post

Louis J. Durkin, newspaperman and author of Courthouse Notebook appearing in The Antioch News, is a primary candidate for mayor of Waukegan. Durkin, to run on the Republican ticket, filed an hour before the deadline last week for the city primary Feb. 28.

Durkin, who visited offices of The News recently, said his appearance in the race for mayor came as a "surprise" as he had no idea of being a candidate until this week when he learned petitions had been taken out in his behalf by friends.

This is Durkin's first venture into politics as a candidate although he has been close to the county political scene for many years as a reporter for the News-Sun and as a campaign publicist for various candidates and the Lake County Republican Central Committee.

Among those opposing Durkin will be Frank G. Wallin, former two-term mayor, who has filed for the Democratic mayoral nomination.

#### Two Grass Fires

The fire department went to work on two grass fires the past week with no damage reported. One, Jan. 11, was on the William Horton property, Rte. 173 and Deep Lake Rd.; the second was on Wood Dr., Felter Subd. on Monday.

#### They're Free

Income tax forms are available free from the local post office, Postmaster Roy Kufalk announced today.

### A Big Day Awaits This Young Cadet

By Mrs. Pearl Kapell  
Cadet Elmer "Chip" Eberman, son of Mr. and Mrs. Elmer Eberman of Channel Lake will be 18 years old this Friday—and it will be a day he'll never forget.

Young Eberman, a cadet at the Merchant Marine Academy at King's Point, New York, will march in the Inauguration Day Parade in Washington in honor of President-elect John F. Kennedy.

He will also attend the inaugural Ball in the evening, escorting Miss

READY FOR A TWIRL around Channel Lake on Go-Karts, newest ice sport in this area, are (left to right) Sue Smith, Channel Lake; Carol and Sandra Pyles, Grass Lake Rd.; and Susan and Barbara Bellerive, Elmhurst. To adapt the go-karts to ice, front wheels are removed and replaced with small runners. Rear wheels are banded with ring of cleats to give traction. A 3-hp motor drives the rig at up to 16 mph. According to Barney Shunnesson, who opened the Go-Kart Ice Track last Sunday at his boat house on Channel Lake, the Karts can't tip, and operate at comparatively low speeds. The ice track on the lake is open to all 9 years of age and over.

### Form Club to Merge Arts Into Single Organization

A new community club to encourage interest in the three lively arts of art-drama-music was organized here Tuesday night.

Called "Palette, Masque and Lyre," the club intends to combine the three arts into one organization through the medium of productions, musicals and art festivals.

Club organizers stressed that the club will be primarily producer and sponsor rather than participant. The club will procure talent from all available local sources, and if desired, will seek outside performers, it was disclosed.

Losing no time, Club organizers today announced its first production, "Tender Trap," to be presented

April 28-29, at Antioch High School. Tryouts for this production will be held at 7:30 p. m. Wednesday and Thursday, Jan. 25-26, at the high school. All interested in any phase of the theatre, staging through acting, are urged to attend next week's session.

Club leadership will be exercised in an unusual manner. The director of the current activity being sponsored by the club will serve as interim club director during the course of his production.

Attending the initial organizational meeting Tuesday were John Jessup, Ken Smouse, George Olsar, William Cervenka, Joseph Kanka, Homer LaPlant and Howard Shepard.

### Now is the Time For All Good Men To Come to the Aid of Their Party

A step up in political activity marks the approach of filing dates as both parties rolled in high gear for the approach April 4 elections.

The Citizen's Party of Linden-hurst will hold an open caucus at 4

p. m. Sunday in Venetian Village Hall to select candidates for police magistrate, village president and trustee.

Antioch Township delegates will assemble with fellow Republicans at 2 p. m. Saturday at McHenry High School, McHenry, to nominate a GOP candidate for circuit judge of the 19th Judicial District.

From Antioch Township will be Russell Holtz, Precinct 1; Charles Larsen, Precinct 2; Helen Burke, Precinct 4; and Fred Zeason, Precinct 6.

Meanwhile, Republican committeemen from Antioch, Lake Villa, Grant and Avon Townships, meeting earlier this week in Lake Villa, nominated John Stanton, Grant Township, for JP, District No. 1; and Carl W. Schmidt, Avon Township, for constable.

Democrats in District 1, have held no caucus to date.

#### Cub Bottle Pickup

Cub Scout Pack 300 will make its regular pop bottle pickup Saturday morning, Jan. 21. All empty pop bottles for pickup should be placed on the front porch. They will be picked up by noon. Funds received by returning these bottles are used in carrying out activities of the Cub Pack.

#### Join the Fun

Free ice skating day or night, is being offered at the boat docks of Chain O' Lakes state park. Lights are provided for night skating.

Park officials announced that there are facilities for making fires.

To get to the park, drive west on Grass Lake Road, following the signs, and turn right at Thailand Quarry.

### Files for New Post of Town Assist. Supervisor

Three candidates have filed for township offices to date, L. R. Van Patten, Jr., town clerk announced today.

Nelson Gonyo, State Line Rd., in filing this week for the newly-created post of assistant supervisor, joins W. Richard Whitacre and Myrtle Biel, incumbents for six year terms on the library board, in announcing for April 4 elections.

Although play has been light since opening of filing Jan. 9, activities around the township reveal heavy action prior to the Feb. 13 deadline for filing, especially in view of several changes in the township office set-up.

April voting will be to fill the offices of three town auditors, one district justice of the peace, and a district constable in lieu of the five JP posts currently in force, and the new office of assistant supervisor.

Antioch Township, with a population of 8,700 becomes eligible for this post, for by law townships with populations exceeding 7,500 may have an assistant supervisor.

#### Check for Nuisance

LAKE VILLA — Go-Kart racing is being investigated as a result of complaint that the track north of here is a nuisance to residents. The track is said to come under township jurisdiction and an attorney is studying the situation as to legal action.

### Local Leader Raps Gas Tax

W. V. Lahti of Antioch, newly elected chairman of the Northwestern Lake County Oil Council, today fired a blast at federal and state taxes on gasoline.

Lahti, owner of Lahti Oil Co. here, was named to the post at a meeting Monday night at the Hotel Faust in Rockford. Attending the session with him were Ray Toft, owner of Ray's Shell, Bill Yucus, owner of Bill's Texaco, and Marv Toepfer, dispatcher for Lahti Oil Co.

The council adopted a resolution protesting "the high rate of state and federal gasoline taxes." They charged that state and federal taxes almost equal 50 per cent of the retail price of gasoline.

"Taxes on gasoline are so high that we are almost reaching the point of diminishing return," Lahti said. "No other product so essential

#### Athletic Director Home from Checkup

Paul G. Lewis, Grant High School athletic director, was released Sunday after spending several days at St. Theresa Hospital for extended observation and examination. He is now at home and after a few days of convalescence expects to be back in classes.

### Set Feb. 25 for Vote on Water, Disposal Issue

Antioch voters will trek to the polls next month to determine the outcome of a referendum authorizing the village to issue \$325,000 in general obligation bonds for certain improvements in sewer, water and disposal facilities.

In a special meeting Tuesday night, village board members set Feb. 25 as the date. Polling place will be the Village Hall, 875 N. Main St.

Bonds will be used for construction projects encompassing certain sewer corrections on North Main, Spafford and Victoria Streets, and water mains on Broadway to service the north section, Anita to complete the north circuit and Depot St. to service the north section; and

### Board Votes P. Magistrate For Antioch

An ordinance creating the office of police magistrate here was passed by village board members last Tuesday night.

The ordinance calls for creation of the office, with the police magistrate to be elected at the general municipal election, to hold office for four years, and until a successor is elected.

The salary of the magistrate was set at \$1,200 per year, payable monthly.

Duties of the police magistrate will include keeping and maintaining a full and complete docket of all actions commenced before him, accurate account of monies received by him and the sources and disposition thereof; and such other records and accounts as required by statute or ordinance.

The new official will be required to post a bond of not less than \$2,000.

Voters will elect a police magistrate at the general municipal election April 18.

### ATHS District Opens Year in Top Condition

Antioch Township High School District reported today that it is starting out the new year in A-1 financial shape.

On Jan. 1, the board of education had total investments of \$310,000 in U. S. Treasury long and short term notes. Several thousand dollars will be realized from the interest on these investments.

Officials reported that the district ended the July 1, 1960, fiscal year with a cash balance. Because of the cash balance and inter-fund borrowing, the board didn't have to secure loans from local banks until the Lake County treasurer's tax disbursement.

Officials said the district's condition is the soundest it has been in several years.

construction of a sewage treatment plant.

Although firm construction costs are forthcoming, preliminary reports, revealing serious weaknesses in the sewer system, call for:

A 6-inch sewer on North Main to be replaced with a 10-inch main at a cost of \$18,000; 6-inch sewer on Victoria to be replaced at a cost of \$10,000; installation of new mains in areas in question and development of activated sludge type sewage disposal system to service a population of up to 5,000.

In a move to acquaint village voters with all aspects of the proposal, President Murrill Cunningham disclosed that the Sewer and Water Committee, engineer David Miller, and the bonding houses Benjamin and Lang and M. B. Vick Co., will prepare brochures for mailing to voters, and are currently completing arrangements for a public meeting at which all aspects of the village improvement program will be outlined. Date of the public meeting was not firm at this time.

Under increasing pressure from state authorities who brand Antioch's existing disposal plant as insufficient for servicing the village, "We are compelled to act now or face state action," according to Cunningham.

Long-range projections indicate the need for a system to handle a population of up to 5,000 within the plausible future, it was stated.

Groundwork for the Feb. 25 referendum was laid at the Jan. 3 meeting of the board at which time the bonding firms of Benjamin & Lang and M. B. Vick Co. were awarded the bid submitted jointly.

The successful bidders offered a 3.95 rate on general obligation and 4.47 on revenue bonds. The general obligation bonds would be retired through taxes and the revenue bonds to be defrayed from revenue derived from sewer and water revenue.

In other action, the board passed an ordinance creating the office of police magistrate.

All board members were present at Tuesday night's meeting. The successful bonding firms were represented by Harold Warren, Benjamin & Lang, and Walter Gilman, M. B. Vick Co.

### Dems Grid For April Elections

Edward Drisch, newly-installed president of the Antioch Democratic Club, said today that plans are now being made to run a Democratic slate of candidates in the Township elections April 4.

Drisch reported that he is highly encouraged by the rise in membership in the club, which was organized late last fall.

Other officers installed last week at Mark Turner Hall included John Matejka, vice president; Shirley Vaughan, recording secretary; Betty Haisma, corresponding secretary; Lillian Cooney, treasurer, and James Horan, sergeant-at-arms.

The group reported that about 50 people from the Antioch area attended the inaugural ball for Gov. Kerner in Springfield last week. Among them were:

Mr. and Mrs. Charles J. Cermak, Jr. (committeeman), Mr. and Mrs. Joe Valenza, Mr. and Mrs. Sylvester Silianoff, Mr. and Mrs. Leo Keisler, Mr. and Mrs. Ray Toft, Mr. and Mrs. James Steward, Mr. and Mrs. John Kipach, Mr. and Mrs. Nick Badame, Mr. and Mrs. Larry Perpoli, Mr. and Mrs. Richard Rosinski, Mr. and Mrs. Wes Reeves, Sr., Mr. and Mrs. George Jaros and Diane, and Don Poulter.

#### License Revoked

The drivers license of Raymond Skakal, Box 253, Lake Villa, has been revoked, according to announcement today from the Drivers License Div., office of Secretary of State Charles F. Carpenter. According to the division, the action was taken because license holder gave incorrect information on application for license.

### \$575.13 Is Your Tab in Budget Submitted by Ike

The cost to Illinois of the \$80,865,000,000 spending budget for fiscal 1962, submitted to Congress Monday by President Eisenhower, amounts to \$5,798,000,000.

Applying this figure to Illinois' official 1960 total population of 10,081,158 as of April 1, 1960, this amounts to \$575.13 for each man, woman and child in the state and \$2,300.52 for each family unit of four.

Proposed 1962 budget is almost \$1.1 billion higher than the spending budget submitted by the President a year ago for fiscal 1961. Cost to Illinois of the 1961 federal budget was estimated at \$5,770,700,000.

## DEAR READER News Editorials

### Political Scene Enlivened

Those howls of anguish, the like of which the citizens of Waukegan haven't heard for many a day, are originating with Harry O. Kilbane, prominent businessman of that city who has filed as a Republican candidate for mayor.

Kilbane, in what he terms "The biggest double cross I've ever seen," has vowed legal action against his press agent, Louis J. Durkin. Durkin is well-known to Antioch and other Lake County communities as the author of "Courthouse Notebook" appearing on these pages.

It seems that up until last Saturday noon Durkin was handling Kilbane's campaign for the GOP nomination for mayor. Then the egg hit the fan as Durkin, in a surprise move, filed as a candidate himself just one hour before the deadline.

Says Kilbane, "I can almost feel the knife in my back . . . we have a contract. He took my money and he knows everything I plan to do in my campaign."

To date, Durkin hasn't elaborated.

In the story announcing Durkin's candidacy on page 1 of The News, he said that the filing was somewhat of a surprise to him as he had just last week learned that friends had taken out petitions in his behalf.

Up until Durkin's move last Saturday, all was sweetness and light between Republican candidates Kilbane, Dominic Sacramento and Edward Daley . . . with only the Democrats, represented by candidates Frank B. Wallin, former mayor, and Robert Sabonjian, keeping the pot boiling. And at that, local Democrats aren't too happy with Sabonjian, who they say isn't really a Democrat after all.

Meanwhile, Durkin, a political reporter of many years standing, a publicist for Republicans in and around Waukegan and a veteran observer of the political scene, isn't likely to have made his move without considering all aspects of his relationship with Kilbane and the innuendoes bound to be cast.

One thing is certain, however . . . politics being what they can be, the April 4 electioneering should be mild compared to the infighting shaping up for the GOP mayoralty campaign between now and the Feb. 28 primary.

### The Departing Family Doctor

It is saddening to consider that countless American children will grow up without ever having once known the warmth of a family doctor.

In most cities today there are baby doctors, eye doctors, foot doctors and other kinds of doctors. But where are the people doctors?

We refer to those doctors of general practice.

In a recent report, the American Medical Association says that only one of every three doctors today is in general practice. Less than 30 years ago the number was one in two. AMA goes on to explain that health bills are no higher than they once were and cites such explosive cost rises as: haircuts up 218 percent; domestic help up 297 percent, etc., while doctor bills have risen by only 90 percent.

Be that as it may, AMA has neglected to explain the cost in terms of humanitarian profit and loss.

Family doctors have always been just that . . . skilled in handling all the illnesses of childhood - eyes, tonsils, measles, broken bones and broken hearts. The same warm hands and heart stood just as ready to belt James for a stolen smoke behind the smokehouse as they did to encourage Cathy in the gawkiness of her first grown-up dress.

Such doctors have in many cases been as influential in teaching morality and responsibility as in maintaining the health of patients.

To anyone who as a child has had his ills healed by the family doctor, the passing of this warm person is disturbing.

There will always be some, but certainly not enough of those some doctors whose major skill was making a whole child into a worthy adult.

SCENE FROM full-color motion picture to be shown Sunday in Lake Villa shows Jesus on emerging from River Jordan after baptism by John, listening to voice from Heaven saying, "This is my beloved son in whom I am well pleased." Film is third in series of 12 on Life of Christ now showing at Community Methodist Church.

### Viewers Laud Religious Film Series; Third Episode to Be Shown Jan. 22

"Boyhood and Baptism," the third in a 12-episode full-color motion picture covering the Living Christ will be shown at 3:30 p. m. and 7:30 p. m. Sunday, Jan. 22, at the Community Methodist Church, Lake Villa.

Clare Appleby, director of Allendale School, will elaborate on the cultural background of the times in connection with the film.

The film starts with the return from Egypt and dramatizes the home and school training of the boy Jesus, said the Rev. Gerald Robinson, pastor of the Lake Villa church, in discussing the film series.

The story portrayed in Sunday's episode includes the boy at the temple as well as the advent of Pontius Pilate as governor and his political problems with Calaphas and Herod. It introduces John the Baptist, explains his menace to the Herodian throne, highlights the growing influence of John's message and vividly depicts the baptism of Jesus, the Rev. Robinson revealed.

The second episode, Escape to Egypt was shown in Lake Villa last Sunday, and followed the opening episode, Jan. 8, showing the events during the time Mary and Joseph were in Bethlehem.

The series will be shown twice on each Sunday through completion of 12 episodes, the Rev. Robinson announced. "The series reflects the highest standards of modern motion picture making," he said. "It is the most complete film depiction of the life of Christ ever made."

The cast of the Living Christ series includes more than 200 speaking parts and is said to be the top achievement of the Cathedral Films, producer of "The Life of St. Paul," "I Beheld His Glory," and the theatrical feature-length film on the life of Christ, "Day of Triumph."

The series is a complete pictorial account of events from the nativity through the crucifixion and the resurrection. Panel of speakers to elaborate on events depicted in each episode includes the Rev. Loren Messersmith, Millburn Congregational Church; the Rev. Robert Prinzing, Lakeland Baptist church; the Rev. Wallace Anderson, Antioch Methodist church; the Rev. Raymond Lord, United Protestant Church, Grayslake; the Rev. James Hagerty, Ingleside Community Methodist Church, and others.

The public is invited to attend the showings each Sunday in the Community Methodist church, McKinley Ave., Lake Villa.

### Bookmobile Allows Lake Villa Library To Expand Services

LAKE VILLA—The bookmobile of the Northern Illinois Regional Library made its first visit to the Lake Villa Township Library recently. The bookmobile serves libraries only in a recently improved State program of extension library service from headquarters at DeKalb.

James Montefonico, librarian of the Regional Library, announced that plans are being completed to visit local participating libraries once every six weeks. Libraries may borrow up to 200 state owned books which may then be loaned to local library patrons in the usual manner.

Mrs. Ted Belke, librarian of the Lake Villa Township Library, says, "Our staff and trustees are delighted with this improved and enlarged extension service from the State Library. We hope our township residents will continue to request special material. We expect to be able to secure promptly material and books needed for Northern Illinois University extension courses. We think this added State extension work will be of great help in improving our own service."

### Now About That Job We Were Discussing—

Lyn Bolton, son of Mr. and Mrs. Keith Bolton, Rt. 1, Box 185, Lake Villa, Ill., was one of 59 Carroll college students who participated in the fifth annual Contact Day held at the college, Tuesday, Jan. 10.

Sponsored jointly by the Waukegan State bank and Alpha Kappa Psi, national business fraternity at Carroll, the affair gave college seniors and representatives of various companies a chance to get together and discuss job opportunities.

### Hospital Notes

Listed as medical and surgical patients this week at Condell Memorial Hospital, Libertyville, were Paul A. Yakes and Mrs. Agnes Ferris, Antioch, and John T. Gleason and Mrs. Antoinette Gleason, Lake Villa.

A girl was born at Condell to Mr. and Mrs. John Dodge, Antioch. A boy was born to Mr. and Mrs. Joseph Carder, Lake Villa.

### Your State Senator Reports

By State Sen. Robert McClory, Republican—Lake Bluff, Ill. The hassle for Speaker of the Illinois House of Representatives emphasizes a "political" problem which should give us all cause for concern. The problem emanates from the blunt fact of Democratic control of a number of "Republican" members.

This condition has been recognized for years by observers of the Springfield political scene. But the suspicious absence of some Republicans when the attendance roll was called at the opening session and the later cooperation of at least two of these members with the Democratic minority focuses public attention on the allegiance of these members to the Democratic party.

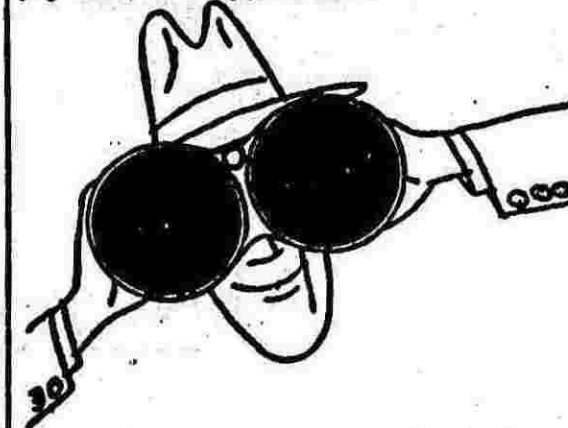

A basic principle of our political system is threatened when a minority party can dominate a legislative body through control of members of the majority party. The opportunity for Republicans to gain expression through their elected representatives is lost—if some of those representatives choose to express the position of the other party.

Of course, Democratic political control of Republicans is gained through patronage and vote dealing at elections. Three of the absent Republican members were job holders of the Democrat controlled Metropolitan Sanitary District. Bl-partisan deals to nominate and elect particular Republican Representatives friendly to their Democratic counterparts are another means of achieving this same objectionable result.

Leaders of both political parties, including the new Governor and other office holders, should concern themselves with eliminating the pseudo-Republicans and pseudo-Democrats in their ranks. The stability of the two-party system, indeed, the stability of democratic government, is at stake in Illinois. It is about time our Illinois citizens — Republicans and Democrats — realize this.

### Spring Is Where You Find It

As one who will turn in his long Johns for Bermudas at the first peep of balmy weather, the past week's gentle zephyrs have been a thing of joy and beauty, indeed.

True, spring is a few hard weeks hence, but the temporary respite from winter has left its mark and manifests itself in many ways.

Take for instance the well-known local athletic, somewhat beyond his peak but still capable. In a spirit of exuberance last week while seated at a local "fountain" he flexed his muscles and mightily heaved a stool through the front plate. Some are want to say he was on the grape at the time. But we term it one of those manifestations of spring when the blood flows freely.

Edgar Simonsen's crews have gotten in some good licks during the unseasonable calm. Normally working mightily against the snow drifts at this time of year — and have you noticed how much heavier that stuff gets with the passing years — city crews have broken out paint pots, brushes and saws and brooms in pre-season paint-up, fix-up and clean-up.

According to Simonsen, the city is also taking advantage of the weather to eliminate diseased elm trees, a problem that threatens to worsen with spring. Crews removed several from the area of the Little League Park, the swimming pool, pumping station, and will soon tackle 8-10 diseased trees on city property. At present, elm disease is a spreading problem, apparently solved only through tree removal. Residents are urged to keep a close eye on elm trees for signs of elm disease, and should notify authorities at the first indication of same.

Gentle weather brings out the worst as well as the best, in many cases. Take last weekend. After much hullabaloo, our two exemptions prevailed upon us to visit the Museum of Science and Industry. And it was a pleasure, indeed . . . a most educating and interesting way to spend a quiet Sunday afternoon. The passing parade is as entertaining as the exhibits.

We had wandered into the 1890's exhibit and were amazed at the authenticity of the layout — a street, paved with bricks on which were parked several cars of ancient vintage. Lining the avenue were various stores of a decor and containing merchandise in keeping with the period at the turn of the century, all highlighted by flickering gas lamplights.

We were literally transported back some 60 years by the atmosphere into the nostalgic past. But not for long.

"When what should before our wandering eyes appear" . . . sauntering down the brick pavement came something out of this world . . . complete with babushka, high heels, a mighty wave of gum and skin tight slacks in the latest leopard pattern . . . to our inexperienced eye, about an axe handle across the beam. It was truly an inspiring sight.

It brought us back to the soaring sixties with a dull thud. There oughta be a law.

### Marine Completes Combat Training

CAMP PENDLETON (FHTNC)—Marine Pfc. Ronald E. Yates, son of Mr. and Mrs. Earl Yates of 287 Bridgewood Dr., Antioch, Ill., completed four weeks of individual combat training Dec. 30 at the Marine Corps Base, Camp Pendleton, Calif. The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

### Church to Hold Father-Son Meet

Charles E. Alexander of Bloomington will be the featured speaker at the annual Father-Son banquet of the Grayslake United Protestant Church Monday.

Sponsored by the church's Men's Club, the banquet will begin at 6 p. m. in the church. Alexander, public relations director for the Illinois Farm Supply Co., will suggest that his listeners "Dare to Be Different."

record system, patient record systems, bookkeeping procedures, facilities, housekeeping and other activities at the Libertyville hospital, according to Mrs. James.

## Courthouse Notebook—

BY LOU DURKIN

The local political spotlight centers on maneuvering for judicial offices at two levels, the new justice of the peace alignment and the selection of a Circuit Court judge to fill the vacancy created by the death of the late Judge Sidney H. Block.

Precinct committeemen and other delegates will meet in a Republican convention in McHenry Saturday with delegates from McHenry County to select the GOP nominee for Circuit Judge.

The McHenry committeemen have already endorsed the bid of Lake County Probate Judge Thomas J. Moran and the Lake County delegation is expected to put the official seal of approval on Judge Moran Saturday. There has been little evidence of activity in the Democratic camp and the possibility that Judge Moran will be unopposed in the special election April 4 is becoming more apparent.

Judge Moran, who has been filling the vacancy since the death of Judge Block, will continue to wear two judicial hats if elected to the higher court.

Party caucuses to select justice of the peace and constable candidates were held this week and Republican party leaders in each district are working hard to heal any breaches and block the possibility of disgruntled candidates for the posts from forming independent slates to seek the posts.

Justices of the Peace and constables have now attained the stature of county officers and will run under national party labels rather than as non-partisan candidates.

Township political leaders are apparently going ahead with plans for the township elections on April 4 on the assumption that legislative action will come too late to hold the line on county board membership.

Those townships which will gain representation on the county board because of the population growth are particularly anxious to gain additional representation.

Despite the tremendous growth of some of the western townships it is unlikely that they will gain enough strength to move the county building out of Waukegan.

The transfer of \$150,000 to the treasurer of the Lake County Building Commission wasn't accomplished without some wordy debate, but Deerfield Supervisor Emmett Moroney, as is frequently the case, whipped the dissidents into line with one of his biting speeches.

## Topics for Today's Women

### Rainbow Girls Visit Installation

The Antioch Assembly, Order of Rainbow for Girls, will meet at 7:30 p. m. Monday at the Masonic Temple. Miss Joan Wagner will preside at the last meeting of her term.

Miss Wagner will give a summary of her activities while she has been worthy advisor. Miss Gloria Wiegman will be initiated into the order.

Members of the newly appointed advisory board are asked to remain after the Rainbow assembly is adjourned, for a short board meeting.

On Saturday, Jan. 21, girls from the Antioch Assembly will visit Harvard Assembly for their installation. Miss Dee Stillson of Antioch will be the installing officer and Miss Joan Wagner the installing chaplain. Girls desiring to go are to contact Mrs. Wilma Gibbs, mother advisor.

### April Wedding

Maureen Smith

Mr. and Mrs. John J. Smith, Felter's Subdivision, Antioch, announce the engagement of their daughter, Maureen Joan, to Sam Girardi, Jr., son of Mr. and Mrs. Sam Girardi of Chicago.

The wedding will take place in April.

### Engagement Announced

Nellie Ruth Whitehead

Mr. and Mrs. Clyde F. Whitehead, Salem, Wis., have announced the engagement of their daughter, Nellie Ruth, to Norman L. Barthel, son of Mr. and Mrs. Lewis Barthel, Rte. 2, also of Salem.

Miss Whitehead is a collection agent for the Oliver Adjustment Co. in Kenosha, and Mr. Barthel is a senior at Carroll College, Waukesha, Wis.

No date has been set for the wedding.

### FORMER RESIDENTS ANNOUNCE DAUGHTER'S WEDDING PLANS

Marcia Pamela Smith

Mr. and Mrs. Charles R. Smith, formerly of Antioch, now residing at 5516 Timothy Drive, San Diego, Cal., announce the engagement of their daughter, Marcia Pamela, to Mr. Richard Lee Stowe, also of San Diego.

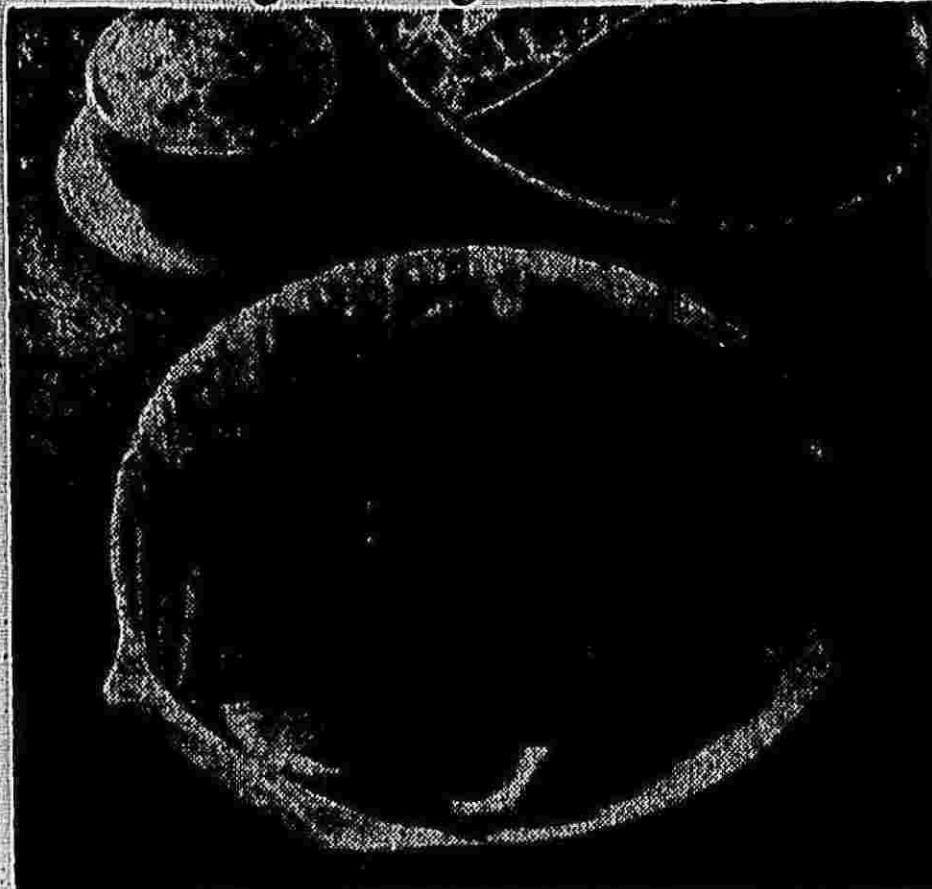

The couple plan to be married February 25, at the Chollas View Methodist Church at San Diego, and will reside at 2755 New Jersey Ave., Lemon Grove, Cal.

### Boy Scout News

Troop 92 opened its meeting last week with regular ceremonies, patrol reports, songs and yells. Rich Stoner gave a report on the camp-out of Flaming Arrow and Future patrols.

Pat Huff introduced Greg Grothman, and Tom Wojnowiak grouped the boys for advancements. The Scouts participated in games and ended the evening with closing ceremonies.—Frank Roblin.

### Sing A Song Of Scallops

Sing a song of scallops... or better yet, serve them for supper! Birds Eye pre-cooked deep sea scallops are tender and plump, cut into bite-sized pieces and fried to a golden brown goodness. They need only a brief heating in a hot oven or a quick broiling to be ready to serve. Team them with cole slaw and French fries for a traditional sea food meal. And don't forget the tartare sauce!

**Tartare Sauce**  
1/3 cup mayonnaise 1/2 teaspoon minced onion  
1-1/2 teaspoons chopped pickle relish 1/2 teaspoon minced parsley  
1-1/2 teaspoons chopped stuffed olives 1/4 teaspoon vinegar  
Combine all ingredients and chill. Makes 1/3 cup sauce.

### Ladies - Look to the Newer Fabrics To Give More Wear with Easy Care

By Phyllis M. Garside  
County Home Agent

In our series of columns on today's fabrics, let's turn to one of Dacron's first cousins. Also a member of the polyester family, is a fiber which you will be seeing more and more of in future months. Thus far, we have found it most often in men's ready-to-wear. I refer to Kodol, the new fiber manufactured by Eastman Kodak Co. It is being used extensively in men's wash-n-wear suits and shirts. It is especially desirable because it is extremely heat resistant and, therefore, holds a crease or press well. For this same reason, it resists "wear wrinkles" more than any other fiber currently on the market.

In addition, it launders easily, dries quickly, needs little or no ironing, and is more resistant to grease spots or body oils than Dacron. Watch for Kodol in spring dresses, yard goods, children's clothing and swim suits—as well as its continued use in men's wear.

Another fiber, still considered relatively new although it first appeared about two years ago, is Lycra, a member of the Spandex family. Here is the answer to every woman's dream—provided it continues to perform as it has thus far!

Lycra is a synthetic elastic fiber which is now being used to replace rubber in girdles, bras, and bathing suits. It has several distinct advantages over rubber. First, it is extremely strong and thus will wear much longer. It is light in weight and thus, more comfortable to wear. At the same time, it has excellent recovery, is easily laundered, dries quickly and is more resistant to body oils and perspiration.

It is well known that garments in which regular rubber is used should not be exposed to excessive sunlight, grease, body oils, perspiration, and constant over-stretch. Yet most of these conditions are present in wearing the traditional undergarment or swimsuit.

For this reason, the new Spandex fibers, Lycra and Vyrene, should be welcome. Look for them the next time you shop.

All undergarments using rubber or Lycra should be laundered in warm—not hot—water with any mild soap or detergent and thoroughly rinsed. It is extremely important to wash frequently so that body oils do not have an opportunity to deteriorate the fiber. Most undergarments give out from wear, not from laundry methods!

Although wool is one of our oldest fibers, many people still have problems in washing wool sweaters. Even the most expensive wool or cashmere sweaters can be washed successfully. Most recent research indicates that the two factors causing shrinkage are agitation and heat.

This explains the recent success of our cold water soaps. The directions specifically say to use cool water, soaking the garment for 3-4 minutes. Squeeze gently, rinse gently, and dry. If you are equally careful in washing woollens with other soaps and detergents, you will probably have similar results.

The important thing, however, is to wash or dry-clean—whichever you prefer—throughout the life of the garment. Don't alternate.

### Adult Classes

Registrations for the adult evening school, Antioch High School, will be held from 7:30 p. m. until 9 p. m., Monday at the school. Courses will be held in Wood Shop and First Aid.

### Salem Girl First In Speech Contest

SALEM, Wis. — Mary Benson, daughter of Mr. and Mrs. Bryant Benson of Bristol, was named first place winner in the junior class of the soil conservation speaking contest sponsored by the Kenosha County Soil Conservation District.

First place in the youth class, for high school students, went to Paul Bieneman, son of Mr. and Mrs. John Bieneman of Wheatland.

Judy Westman of Bristol took second place in the junior class, which was open to grade school pupils.

The local contest was held at Salem Consolidated School, with a panel of judges headed by Earl Elfers, chairman of the district's supervisors.

### Spring Cleaning Toss-Aways May Be Needed by Sick

Your spring cleaning could ferret out aid to a cancer patient.

The Lake County Chapter of the American Cancer Society this week reminded area residents that the society can use many materials that might ordinarily be discarded, to make fillers for bed pads of cancer patients.

Among the items that could be used are worn-out bath towels, bath mats, blankets, mattress pads, quilted mattress covers, bathrobes, cotton drapes and bedspreads, or any other clean absorbent materials.

These items can be brought to the Cancer Office, 228 N. Genesee St., Waukegan, or if it is not convenient to make the trip, contributors can call the office, DE 6-9293, and pickup service will be provided.

The 150 women who belong to the 18 dressing units in Lake County were able to make 1,560 bed pads for cancer patients last year through the donation of such materials by Lake County people.

### Board Votes House Numbering; Sets \$600 Magistrate Pay

LINDENHURST — The village board has approved an ordinance providing for house numbering as based on the Lake Villa fire district area.

The numbers will range from 1600 to 2400 in an east direction from west limits, and 0 to 500 north and 1 to 100 south from Grand Ave. Instruction on size, location and other details of numbering will be mailed to householders soon, Mayor Robert Randall announced.

In other action last week the board passed an amendment to a street ordinance obligating a subdivision developer to maintain roads until accepted by the village. Also passed was a resolution establishing the police magistrate's annual salary at \$600.

Ray Caldwell, present police magistrate, will be up for election; Kenneth Erickson will also be a candidate for the office.

### Principals Meet

A. L. Dittman, principal of Antioch Township High School, met with other Northwest Conference principals Tuesday in Grayslake to discuss the subject of creating favorable public relations.

Clarence Jackson, Bristol, called at the Federmeier-Tindall home Thursday.

### Lay Groundwork For Action on Tax Complaints

Members of the Lake County Federation of Improvement Associations will lay the groundwork for possible concerted action on complaints of unfair taxation at a meeting Jan. 29 at 2 p. m. in Grant Town Hall, Ingleside.

Members of the group, which includes more than 20 property owner organizations, will hear a tax expert, Elmer Barnes.

The federation has aired complaints of unfair and discriminatory taxation in Lake County's six northwestern townships. Cases have been cited of alleged flagrant inequalities in both real estate and personal property assessments, as well as errors in billing, applicable rates.

The group will also hear reports on the Lake County Health Department, of which Robert Flaskamp, federation president, is a member, and on the Lake County Citizens' Committee on Public Works.

### Lions Schedule Annual Ladies Night Feb. 14

Lions Club members will honor the ladies at their Annual Ladies Night Dinner Dance, Feb. 14, at Cerami's Island View Resort.

Opening with a social hour at 6:30 p. m., Lions and their guests will dine at 7:45 p. m. after which entertainment and dancing will prevail.

In booking professional entertainment for the evening Lions have revived a custom of by-gone years. Entertainment will be provided by a show starring Miss Toni Rami, singer, and Bob Anthony, comedian. The pair have performed at the resort for the past three years and have appeared on TV and radio. Music will be furnished by The Golden Tones.

In announcing the event, John Fields said that reservations can be made and tickets purchased from committee members Howard Shepard, Joseph Patrovsky, Dr. Al Bucar or Ed Jacobs, and the State Bank of Antioch and the First National Bank of Antioch.

### Girl, 6, Falls Through Hole in Ice, Drowns

Five-year-old Jo Lynn Truman of Venetian Village drowned Friday afternoon after falling through a hole in the ice of Millmore lake near her home. Her 6-year-old brother, Clifford Clinton, scrambled to safety, but was unable to save her.

Rescue efforts by bus driver Joseph Edits failed to revive the girl after she had been pulled from the water by two unidentified bystanders. She was pronounced dead by a Lake Villa doctor who was called to the lake.

The girl was the daughter of Mr. and Mrs. Clifford E. Truman, Loretta and Gelo Ave., near Lake Villa, residents of this area since Jan. 1.

According to Deputy Boyd Dutcher, the girl and her brother fell into a hole about six feet in diameter made by state conservation workers for removal of carp and other rough fish from the lake. Time of the accident was set about 3:30 p. m.

### Monday Filing Date for April Village Election

Monday, Jan. 23, is the opening day for filing in general municipal elections, April 18. Filing period will extend through Feb. 27.

Although rumors are rife, no one has stepped forward to announce for any office.

To be voted upon April 18 will be the office of village president, now held by Murrill W. Cunningham; village clerk, Clarence B. Shults; three trustees and the new office of police magistrate.

Three trustees will be holdovers. They are Edmund F. Vos, Herman Holbek and David H. Nissen.

Trusteeships now held by John M. Blackman, Ernest H. Glenn and Bernard N. Osmond will be up for grabs.

Current office holders are mum about their plans, although it is expected that at least one office holder will make a bid for the newly-created township post of assistant supervisor.

### School Board To Set Date for AHS Referendum

The board of Antioch Township High School will set a date tonight (Wednesday) for referendum for a \$995,000 high school construction program.

School board officials had been holding off on the date awaiting a village decision on its date for vote on \$325,000 general obligation bonds. On Tuesday, village trustees set Feb. 25 as the date, leaving the way clear for an alternate date for the school proposition.

The high school program will include construction, remodeling, and equipment, and would expand facilities to accommodate a mounting school population.

In other school improvement, 3 contractors are carting some 4,000 cu. yards of fill on the athletic field as part of the program to renovate the athletic field.

## Warns of Big Need For Conservation Of Forest Preserves

Mrs. Frank Untermyer, chairman of the advisory committee to the Lake County Forest Preserve District, drew on some of her experiences in the Lake County organization as she spoke before the Springfield League of Voters at a meeting on Inauguration Day.

Said Mrs. Untermyer: "After the ball is over and frivolity and gaiety of inauguration is passed, public officials of the State of Illinois will be faced with the realistic problem of providing and guaranteeing preserve lands for the expanding communities in the state."

She urged the group to consider the question of a forest preserve district for Sangamon County "at the very hour that the governor of the state is being inaugurated."

The Citizens Committee in Lake County, Mrs. Untermyer said, "Realized that no amount of public debate, community meetings and laudable resolutions can command a forest preserve district to return once it has been destroyed."

## Panthers Tie For 4th Spot

WILMOT, Wis. — Wilmot's Panther five wrapped up a fourth place tie in the Southern Lakes basketball loop last week by scorching the Delavan Comets, 60-39, in a home encounter.

The Panthers took a 12-3 lead in the first eight minutes, and after that, Delavan never came close.

Greg Bush paced the scoring with 22 points, aided by Glen Rasch with 18. Mike Hayes scored 14 for Delavan.

Wilmot now has a 3-3 record in the conference, sharing fourth place with Burlington, which was upset, 46-40, by sixth place East Troy.

## Wilmot Leads County Recreation Cage League

WILMOT, Wis. — Wilmot's undefeated cage squad roared to a three-game lead in the County Recreation Council loop last week, winning a close decision from Chicago Tavern, 54-53.

Klondike earned its first league win, 49-40, over Merten's Garage.

Dick Timmer saved the day for the Wilmot team with a free throw in the last 10 seconds of the game.

Pacing Klondike was Ray Lubke-man, who threw in 10 points in the last quarter.

Wilmot leads the league with a 6-0 record, followed by Chicago Tavern, 3-3, Merten's 2-4 and Klondike, 1-5.

## Tell Bigger Bonn Foreign Aid Program

NEW YORK—West Germany, under U. N. prodding, has drawn up a foreign assistance program for 1961 that goes far beyond many of its previous efforts.

The program exceeds anything contemplated along this line only a few weeks ago, the paper said in a dispatch from Bonn.

A FOREIGN economic aid fund of \$1 billion will be put together from various sources—the federal government, the states and industry.

As agreed upon by key ministries and industrial leaders, the program was expected to meet Washington's insistence that the booming West German economy take over a substantial share of the foreign aid load being carried by the United States.

## Fishermen Warned on Perils Of Thawing Ice on Lakes

LAKES REGION, Wis.—All fishermen of the area have been issued an "extreme caution" warning in venturing on the ice of lakes in this vicinity, either on foot or in cars.

The Wisconsin Conservation Department pointed out that warm mid-January temperatures have caused dangerous thaws, and warned that four inches of clear blue ice will support a man on foot but not a car.

The department's warning followed a report from Silver Lake revealing that a party of fishermen ran into trouble last week. Leaving the lake after dark, the driver was proceeding in semi-darkness when the car ran onto a pressure bulge in the ice surface. He braked the auto, but it skidded across the bulge and into a pool of surface water.

Five of the car occupants leaped to safety, but the driver sat frozen to the wheel while the auto skidded to a stop on the lake surface. Careful movement of the halted auto

prevented a break-through of the thaw-thinned ice.

The department suggests a check with local officials before proceeding onto frozen lakes or rivers. Where driving on ice is permitted, use only the roads laid out on the lake surfaces by persons who know ice conditions, and if it is necessary to drive on ice, leave doors barely latched or windows partly open.

Persons walking on ice are advised to carry a long handled ice bar to breach the gap if the ice opens.

The paternal grandparents are Mr. and Mrs. Peter H. Hansen of Route 2, Kenosha.

## County Seal Returns Run Behind 1959

Christmas seal returns in Lake County are running behind last year's returns, it was announced this week by Charles J. Cermak, Jr., of Antioch, member of the Lake County Tuberculosis Association Board of Directors.

"Based on returns to date," Mr. Cermak pointed out, "our total is likely to fall below the \$81,130.48 which was raised through the 1959 seal campaign."

Proceeds from the seals provide practically the entire budget of the Lake County Tuberculosis Association, which has been carrying on a running battle against TB, since it was first organized in 1908.

One of the major efforts of the Lake County Association is its program of free tuberculin testing in schools. With approval of parents, first graders, high school freshmen, and all new students coming into the county are tested.

During the 1958-1959 school year a total of 11,027 pupils received tuberculin tests.

In addition, 37,736 x-rays were taken by the Association's modern Mobile X-ray Unit, which serves communities, schools and colleges, industries, hospitals and similar groups.

"There are an estimated 250,000 cases of active tuberculosis in the United States," Mr. Cermak revealed, "and approximately 40 percent of these are as yet undiscovered by health authorities."

"We feel that the continued energetic efforts of agencies such as ours are vital to the control of TB, and we hope that every resident of Lake County will realize the importance of the battle we are waging against this treacherous disease."

## \$7,000 Pumper Voted for Wilmot Fire Department

WILMOT, Wis.—A brand new \$7,000 fire pump truck is now on the production lines, on an order placed by the Wilmot Volunteer Fire Department.

Chief Andrew Kiser said delivery of the unit, the newest type of pumping engine, is expected before the early spring rush of grass fires. The department's 67 members decided in a poll to purchase the new equipment, after it was learned that the present 350-gallon pumper is in need of extensive repairs.

The Wilmot firemen also own a 1,000-gallon capacity truck. Chief Kiser said no decision has yet been made to retire the old mobile pump.

The new pumper, a cabover Jeep, is completely equipped to handle any blaze up to a major fire. It is adaptable to fire runs that require crossing fields, moving through rough overland areas and for lesser fires that require a small water and pumpage capacity.

Funds for purchase of the equipment are being provided by the members, who have been self-supporting over the years through sponsorship of carnivals, parties, special events and conduct of a beer stand at the Kenosha County Fair.

Salem Township recently authorized the department \$18,000 to assist in its activities during the coming year, and Randall and Wheatland townships have adopted a fee system of assistance.

## State License Deadline Nears

SPRINGFIELD, Jan. 10 — Only five weeks remain for motorists to obtain their 1961 license plates before the February 15 deadline for displaying them, Secretary of State Charles F. Carpenter today reminded car owners.

Mailing of plates in alphabetical and numerical order is progressing at the rate of about 45,000 sets a day and has reached the BA through BY series in the new letter-digit numbering system, Mr. Carpenter said.

The series EA through EY is being sold over the counter in Springfield, and the FA through FY, GA through GY and KA through KY series are being sold in Chicago. Space limitations in Springfield prevent a large inventory of plates and consequently they must be accepted in sequence from the manufacturer and mailed in the same order, Secretary Carpenter said.

Beginning Saturday of this week, the Automobile Division office in Springfield will be open all day, from 8:30 a.m. to 4:30 p.m., for sale of plates, Mr. Carpenter announced. Mr. Carpenter also reminded motorists that the new plates must be on the vehicles by February 15 to comply with the deadline, meaning that persons applying by mail should have their applications in his office by February 1 to be assured of having their plates in time.

So far this licensing season, registrations are lagging behind last year, with about 1,530,000 applications received, Secretary Carpenter said. At approximately the same time last year, 1,630,000 had been received.

Total registration is expected to reach about 4,000,000, Mr. Carpenter said.

## '60 Olympic Member Wins Norgo Ski Meet

Gene Kotlarek, 20-year-old Olympian from Duluth, Minn., was declared winner of the Norgo Ski meet last Sunday in Fox River Grove.

This was Kattlarek's second major win in eight days. He won the Eau Claire ski meet Jan. 1.

The youthful skier thrilled spectators Sunday with a near-record 196-foot leap, only 12 short of the Norgo Hill record. His first jump was 172 feet. His point count was 224.7.

Torbjorn Yggseth, Norwegian jumper, was second with 220.6 points, and Arne Valkama, Finland, was third with 218.

Archie Lowman, Kenosha, placed eighth in the veterans class with jumps of 125 and 122 feet.

Make sure the family car is in top mechanical condition and fully equipped for winter travel before starting on a trip, says the Chicago Motor Club. If possible, do your traveling by daylight. And remember, when the weather is bad give yourself more time to arrive at your destination.

## Sequoits Turn In Best Game Despite Loss

Fresh from a major upset the previous evening when they defeated the highly favored Crystal Lake five in the North Suburban conference, a smooth-working McHenry High squad turned back a charged up Sequoit team in a non-conference game here Saturday 71-50.

Winless since they defeated Elaverton on Dec. 9, the Sequoits were out for blood and played what many feel was their best game of the season. But the fast-breaking Warriors had the speed and experience.

Coach Cliff Fulton's squad built an early lead and led 23-15 at the quarter. Antioch moved up early in the second and closed to 27-22 on scores by Sheehan, Krieger and Elliott, but McHenry took over and ended the half with a 41-29 advantage.

Behind the play of Brian Elliott and Les Herbst, who tallied 17 and 16 points, respectively, the Sequoits worked hard to stay within striking distance but were never a real threat in the last half. McHenry kept the pressure on during the low-scoring final quarter and netted 13 points to 10 for the locals.

McHenry, with 27 baskets in 66 attempts, hit for a 40.9 percentage from the field, while Antioch players were off with 15 of 50 attempts for a 30 per centage. Both squads worked well from the free-throw line, with the Warriors sinking 17 of 24, while Antioch, in a complete reversal of form in this department from the previous evening, sank 20 of 26 for a whopping 76.9 percentage.

The starting line-up of Herbst, Hogan and Krieger up front, with Elliott working the pivot, is the strongest Coach Larry Leon has come up with to date. If the squad can produce a key man who can score from the outside and take command in setting up the offense, much of the Sequoits' problems will be solved over the remaining nine games of the 1960-61 schedule.

The aggressive play of Hogan and the improved rebounding of Krieger are encouraging to Antioch fans, and Elliott, with 11 of 12 free throws sunk, figures to give the dependable Herbst a hand in future scoring if his accuracy continues.

The high number of personals which has characterized much of Antioch's play this season (48 were called against Sequoits the previous evening), was missing Saturday, as McHenry was awarded but 24 free throws. Cage savvy and position are factors here, and calls against Antioch will be lower as they gain in experience.

Another troublesome feature is that of balanced scoring. Herbst has been the only consistent scorer on the squad to date, and Elliott's 16 and Hogan's 8 gives promise that they may contribute more in this column in future games.

## Old Fitz Keglers Outscore All-Stars in Polio Benefit

By Mrs. Pearl Kapell

Sports fans of the area contributed more than \$100 to the March of Dimes at a benefit bowling match staged Sunday before a large crowd at the Antioch Bowl.

Chicago's Old Fitzgerald team whipped the Antioch Star Bowlers, winning two games of a three-game series.

The main event was preceded by contests between the Antioch and Ingleside Junior League bowlers, and Bantam Bowlers from both towns. The Ingleside Junior Leaguers took two of a three-game match from Antioch, and the Antioch Bantam Leaguers won two over the Ingleside team.

The Antioch Woman's Club collected the March of Dimes funds during the afternoon, and the use of the alleys was donated by the Antioch Bowl.

The Antioch All Star team was composed of the six bowlers who hold the highest averages in the Friday night Major League, with low man dropping out each game to be replaced by the sixth man.

The six men were Larry Dee, who rolled 195-203-197, for a total of 595; Chuck Moran, two games of 197 and 170; Joe Sterbenz, 233-205-193, a 631 series; "Skinny" Gerretsen, 191-279-160 for a total of 630; Marvin Shepard, two games, 181 and 206; Bob Kraft, two games, 193 and 223.

The Old Fitzgerald team included Bud Schaubly, who rolled 192-212-226 for a 612 series; Wally Weiss, 185-205-207, total 597; Willy Cohen, 173-212-211, total pins, 596; Otto Nie-

hus, 210-245-257, a 712 series; and Lew Cioffi, 181, 217 and 225, a 623 series.

The Antioch Stars won the first game, 997-941; Fitzgerald took the second, 1091-1080; Old Fitzgerald took the third, 1126-949. Both teams rolled over 3000 for the three games series, Antioch's total for the afternoon being 3026 and Old Fitzgerald's 3158.

In the Junior League match, Antioch took the first game, 770-736; Ingleside had the second game, 832-747 and Ingleside took the third game, 788-763.

Bowling for Antioch were Jerry Berke with games of 144-137-144; Ernie Westlund, 163-140-163; Bill Ozga, 145-121-145; Ed Thayer, 140-149-140; and Bob Lenczewski, 156-178-149. The Antioch team had a 22 pin handicap.

For the Ingleside Juniors, Dave Spencer had 166-156-136; Art Thompson had 171-170-201; Danny Borg, 108-155-175; Bob Rowden, 158-158-128; and Bruce Deutsch, 133-193-148.

In the Bantam League match, Antioch won two from Ingleside: first game, Antioch 618-Ingleside 620; second game, Antioch 590-Ingleside 582; third game, Antioch 636-

## Grayslake Takes 77-76 Thriller From Lake Forest

Grayslake kicked away a 25-point lead, but managed to come from behind in final seconds to whip Lake Forest's cage squad 77-76 in a thriller Friday night on the Ram's court.

The victory gives Grayslake a 2-4 record, placing them in a tie for fifth with Round Lake in conference play. The loss, the fifth for Lake Forest as against one victory, dumps them into a last-place tie with the Sequoits.

Don Hawkins, high with 26 points for Grayslake, put in the clincher by sinking a basket in final seconds to give the Rams the one-point win.

Behind 26-14 at the end of the first quarter and trailing by as much as 25 points in the second, the Scouts put on a press that finally saw the lead change hands.

In closing minutes, Lake Forest attempted to protect its 74-72 lead by stalling. A missed shot gave Grayslake the ball. A free throw and a basket by Hawkins put the Rams in front, only seconds remaining.

Hawkins dunked his final effort to break the deadlock and give his team the win.

Hawkins, with 26, paced the Rams, followed by Pickett and Tom Alton with 16 each. Roderwald led Lake Forest with 26, tallied closely by Steve Ekdahl with 24.

## Ela Cagers Edge Wauconda 50-49 In Hot Battle

Wauconda with three straight in conference basketball found the going just a bit too rough Friday, and dropped a tinging 50-49 decision to a partisan crowd of hometowners Friday.

The victory for Ela-Vernon gives the Bears a clear hold on third, with 4-2 and drops Wauconda into fourth with a 3-3 record.

The game was nip and tuck all the way with neither team able to build up a sizeable lead. Ela took an 18-14 first quarter lead, but Wauconda roared back in front 27-26 as the clock was running out the half, only to have Ela punch in a score as the buzzer sounded, leaving them ahead 28-27.

Wauconda jumped off to an early 32-28 third-quarter lead, only to have the Bears battle back to gain a 39-35 advantage at the end of the quarter.

Ela settled down to a 47-41 lead early in the fourth-quarter and seemed to have things their way, only to have the battling Bulldogs close to 48-47 on baskets by Coomes, Wasilas and Leito. With less than two minutes to go, Shober's tally gave the Bears a 50-47 advantage. Hughes then sank two free throws to put the Bulldogs but one behind.

And that's the way it ended, 50-49. Wauconda had the better of it in balanced scoring with Coomes 18, Leito and Hughes, 11 each, leading in this department. Shober, with 19, was the only Bear to notch a two digit figure, with the remaining points spread fairly evenly over the squad.

## Ice Fishing Derby Winners Announced

SILVER LAKE, Wis. — Tommy Ricchio pulled in the most fish caught in the Holy Rosary-Holy Name Society ice fishing derby here last Sunday. Emanuel Rizzo hooked the largest northern pike.

Other winners were: Ken Rizzo, largest panfish; Jim Lanawsky, smallest fish; and Jim Salerno, second largest northern pike.

The derby was under committee members Jiggs Serpe, Mike Perrine, Charles Rizzo, John Rizzo, Frank Rizzo, Anthony Chiappetta, Palmer Martino, Paul Renzoni and Al Copen.

## Bowling Tourney Opens Feb. 18

The 16th annual Antioch Singles bowling tournament will open Feb. 18 and continue through March 3, tournament sponsor John Sampayo announced.

One of the better Lake County tournaments, the Antioch meet will be held at Antioch Bowl, Highway 173 and Tiffany Rd.

Keglers will compete for \$500 first prize, \$300 second and less for third and lower places. Entry fee is \$5, including all expenses.

## Victorious Falcons Face Union Grove

PADDOCK LAKE, Wis. — The high-riding Central High Falcon quintet takes on its traditional rival, Union Grove, in a home game Friday night. The Falcons are still flushed with the heady spirit of victory after their best game of the season, an 80-64 win over Clinton last Friday.

Coach Dorm Grams called it the night Central has been waiting for—"our best night at the hoop."

The Falcons, who exploded in the second half of the encounter in Clinton's new gym, hit pay dirt on 53 per cent of their shots.

Danny Yates was high scorer with 29 points—14 baskets and a free throw.

Tom Straulin and Jim Westman each contributed 16 points. Westman turned in his best high school performance.

Earlier in the week, Yates scored baskets from all over the court to lead the Falcons to an easy 65-42 victory over Palmyra.

Yates scored 22 points. Darrell Pofahl, a junior who is being worked into the center slot, came up with 12 points.

## Fouls Fatal In 70-56 Win By Blue Devils

Antioch cagers turned in one of their better games of the season in holding a favored Warren team in check, but committed too many personals, which turned out to be the margin of victory for the Blue Devils, 70-56 at Gurnee last Friday.

Coach Larry Leon's Sequoits outscored the conference leaders from the field, but allowed Warren 43 charity tosses, of which the Blue Devils sank 28. By contrast, the Sequoits had 21 tries from the foul line and managed to sink but 10.

Les Herbst's 10 points helped Antioch to a 16-14 first-quarter lead, and Warren followers saw a tough evening ahead as the Blue Devils worked for their sixth straight conference win. Warren gradually closed the gap and nosed ahead until they enjoyed a 32-29 half-point lead.

They opened the third with a full-court press and increased the margin to 53-46 over the fighting Sequoits. Antioch pulled to within five points with five minutes to go, but saw its spurge taper off when Herbst, high for the evening with 22, fouled out. With four minutes to go Elliott fouled out and was followed shortly by Krieger.

With the bulwark of Antioch's starters on the bench, Warren gradually moved further out in front and closed out with its 14-point lead.

The loss marked the fifth for Antioch, defending champs, as against one win, and placed them in a two-way tie for last place with Lake Forest. However, in defeat, Antioch showed a spark that could ignite to bring them several victories in the second half of the season.

The Sequoits have a balanced forward line in Herbst, Elliott, Krieger and Hogan, but lack floor leadership in the form of a playmaker who will take charge of offense. Lack of experience shows up in the high number of personals racked up against Sequoit members as they are outmanned under the boards and maneuvered into fouling.

This was evident in Friday's contest when Antioch players committed 43 personals and were out-rebounded 33 to 19. And this was the margin of difference in Warren's victory.

In attempts from the floor, Sequoit players shot 71 times, and connected for 23 for a 32.4 percentage, about par. Warren banged away 75 times and connected for 21, for a 28 percentage.

Game scoring honors went to Les Herbst of Antioch with 22. Elliott and Hogan contributed 12 and 8, respectively, for Antioch. Beahel with 18 and Flood 16 were high for Warren.

## Sees End Of Widespread Hunting In Illinois As Population Increases

By 1980 widespread hunting in Illinois may be a thing of the past. The dire prediction comes from Dr. Paul W. Parmalee, curator of zoology at the Illinois State Museum.

Human population increases predicted for the coming years will result in proportionately more hunters stalking steadily decreasing game.

Deer herds, which have shown a steady increase here during the last 10 years, will probably continue for a while, but the increase will be quickly checked in certain areas when "waste" lands are salvaged for farming, according to Dr. Parmalee.

The prairie chicken is an example of a natural game bird that faces a bleak future, says Dr. Parmalee. The breaking up of large tracts of original prairie into cultivated corn, bean and wheat fields has already uprooted the prairie chicken from its favorite cover and nesting places.

Already a vanishing game bird, the prairie chicken may be extinct in Illinois by 1980 unless local areas of grasslands and fallow fields are preserved as nesting sites for the birds.

Dr. Parmalee finds the cottontail rabbit and bobwhite following the route of the prairie chicken, at least in particular local areas, as more and more hedgerows and brush cover are eliminated.

If current trends continue, opportunities for the average sportsman to hunt waterfowl will become few. Already the state has taken over many of the choicest locations for regulated hunting. The expense of membership in private gun clubs today makes hunting on gun club lands prohibitive to most sportsmen.

### 1959 Was Bumper Year For Babies in County

The 7,209 live births recorded in Lake County in 1959 was the largest number in history. Arthur G. Baker, M. D., director of the Lake County Health Department, said today.

The number of live births first passed the 6,000 mark in Lake County in 1955, when there were 6,245. Figures since then are: 1956—6,721; 1957—7,006; 1958—7,108; 1959—7,209.

The highest percentage of hospital deliveries was recorded in 1955 when it was 99.4 per cent. The figure for 1959 is 99.0 per cent, and the lowest recorded in the past five years was 98.9 per cent in 1957.

The infant death rate in 1959 was the lowest recorded in the past five years and the rates show a decline through the entire five year period. The infant death rate for 1959 was 20.5 per 1000 live births. The rates for the preceding years were: 1958—25.2; 1959—25.0; 1956—22.2; 1955—25.0.

There were 490 premature births and 153 illegitimate births in the County during 1959.

There is one bright prospect for the hunter, though. Certain of the game species like the ring-necked pheasant and mourning dove might be benefited by the expansion of more open and extensive fields in which to feed and find cover.

Taking everything into consideration and bearing an extensive soil bank program, Dr. Parmalee believes that by 1980 most areas in Illinois where any quantity of game species can be found will be the state and federal wildlife sanctuaries and preserves.

### Red Cross Maps Drive For County Industry

Members of the industrial committee of the Lake County chapter of the American Red Cross met last week at the Waukegan Elks club to discuss plans for the March fund drive.

Headed by Mardis Turner, plant manager of the National Gypsum Co., the committee will contact every industry in Lake County to secure both company and employee contributions to the annual Red Cross fund drive.

Turner conducted the noon luncheon-business meeting and assigned various industries to each of his committee members. He promised a vigorous campaign to meet the Red Cross fund need for 1961.

### Ag Scholarship Open to High School Students

Two \$500 scholarships in the University College of Agriculture will be awarded by the Federal Land Bank of St. Louis to Illinois high school boys who are selected for the award by the scholarship committee of the University of Illinois.

Walter H. Droste, president of the bank, stated that senior high school boys who are interested and plan

to enter the university next fall should contact their vocational agriculture teacher, farm adviser, or manager of the local Federal Land Bank Association. Application forms and information regarding the scholarships can be obtained from any of these individuals.

The applications must be filed with the University Scholarship Committee at the University of Illinois in Urbana by June 1. The scholarship funds are available to the winners for the school year 1961-62.

### Youthpower Conference Set for March 9-11

More than 500 outstanding high school boys and girls will attend the National Youthpower Conference—a nationwide climax for state and local Youthpower programs—at Chicago's Palmer House March 9-11. J. L. Pidecock, Illinois Agricultural Association assistant secretary of marketing, announced this week.

High school boys and girls in each county are invited to seek an invitation to the second annual conference by entering an essay contest. One boy and one girl from each county will have essays submitted by the County Farm Bureau for judging by representatives of the food industry. Eighteen Illinois representatives will be chosen from among county winners. Entries are to be sent to County Farm Bureaus by February 10.

## News of Millburn

**By Mrs. Frank Edwards**  
MILLBURN — Regular services will be held at Millburn Congregational church Sunday, Jan. 22, with Sunday School and church services at 10 a. m.

Twenty ladies were present at the Devotional Study Group last Thursday at the home of Mrs. Bert Doolittle. The next meeting will be held at the home of Mrs. Carl Anderson, Thursday, Jan. 26.

Mrs. Garrett Trout, Mrs. Charles Lucas, Mrs. Carl Anderson, Mrs. Emmet King and Mrs. Clifford Weber attended the Division meeting of the Women's Fellowship held at the First Congregational church of Western Springs. Returning home they called on Miss Vivien Bonner at Plymouth Place, in La-Grange.

Members of the Senior Pilgrim Fellowship were guests at the Community church of Gurnee, Sunday evening.

Herbert Prange returned to Hines Hospital after spending the week-end with his family.

Mrs. Harley Clark and son, Glen, spent Sunday evening at the home of Mr. and Mrs. Earl Turnpugh at Kansasville, Wis.

Mrs. John Brausch and son, John, of Des Plaines, spent Thursday at the home of Mr. and Mrs. Herbert Prange.

Mr. and Mrs. Frank Hauser were dinner and supper guests at the home of Mr. and Mrs. Glen Hauser of Hickory, Saturday.

Mr. and Mrs. John Edwards and family of Libertyville were supper guests at the home of Mrs. Frank Edwards Sunday evening.

Clifford Graham celebrated his 10th birthday with a party for several of his friends at his home Saturday afternoon.

Royal Karr returned home from Condeil Hospital Sunday.

## Revenue Chief Explains Forms

The shorter two-page Form 1040W provided for 1960 Federal income tax filing was explained today by Harold R. All, director of Internal Revenue for the Chicago District.

All said the return can be used by any individual whose income consisted of salary and wages, regardless of amount, and not more than \$200 income from interest and dividends.

Husband and wife whose combined income meets these tests may file a joint return on Form 1040W, he said.

He added: "The two-page form is designed to allow taxpayers in any income category the benefits of (1) 'head of household' or 'surviving spouse' status; (2) sick pay exclusion; (3) dividends received credit; (4) estimated tax payment credit; and (5) itemizing deductions for contributions, interest payments, medical expenses and the like.

He said taxpayers with dividend and interest income in excess of \$200, or with any other income such as capital gains, retirement income, rents, royalties, business or professional income, etc., must still file on regular Form 1040.

## Tip on Withholding - It Won't Save You Money, It Might Ease the Pain

Federal income taxpayers, faced at tax time with large additional payments to satisfy their indebtedness to Uncle Sam, because of under-withholding, have a way out in future years, according to Harold R. All, Chicago district director of the Internal Revenue Service.

Additional sums may be added to taxes already being withheld by the employer in cases of this kind, All said.

"There are various ways of doing this," he added. "If a taxpayer finds himself owing an additional \$100 or more of tax at year's end, he may reduce the number of exemptions or dependency claimed by one or more, or he may claim zero exemptions for withholding pur-

poses. "This will automatically increase his withheld tax payments over the year by \$120 or more without affecting his right to claim these exemptions when he fills out his return."

"Taxpayers who find themselves owing lesser sums can, in most instances, arrange with their paymasters or disbursing offices to increase their withholding \$2 or \$3 per day per period or whatever approximate sum may be required to even out the tax owed."

In any event, All said, consulting the payroll office will probably enable the taxpayer to work out a withholding plan most suitable to his situation.

## Golden Glovers Get Set For Regional Tournament

KENOSHA, Wis.—The 21st annual Lake Shore Golden Gloves tournament will be held here Feb. 7, 13, 21 with entries expected from Lake and McHenry counties in Illinois, and Kenosha, Racine, Walworth and Rock counties in Wisconsin.

The amateur boxing meet is conducted under auspices of the Wisconsin AAU and supervised by the Wisconsin State Athletic Commission. Competition is in two divisions—novice for boys under 21 with little or no ring experience, and open division for boys over 21 or for entrants with four or more sanctioned bouts.

Winners in the open division will represent Wisconsin and northern

Illinois in the Tournament of Champions at Chicago Stadium in March.

Champions will be crowned in eight weight classes in both divisions. Titles will be at stake at 112, 118, 126, 135, 147, 160, 175 pounds and in the heavyweight division.

Winners receive jackets and trophies and other special awards are made for sportsmanship, outstanding novice boxer, most promising novice, best comeback fighter, fightingest fighter, best open division boxer and team awards.

Entry blanks may be obtained by writing: Jim Barnhill, tournament director, Kenosha Evening News, 713 58th St., Kenosha.

## Channel Lake Scouts Awarded 50th Anniversary Streamers for Service

By Mrs. Pearl Kapell

CHANNEL LAKE—Fiftieth Anniversary Awards were given out at the Scout Round Table held at Avon School Jan. 11. Both Troop 86 and Pack 86 of Channel Lake received the award. The streamers were given to each pack or troop of which 50% or more of its members earned the 50th Anniversary Award. Channel Lake was the only Scout group in the Northwest District of which both the Pack and the Troop received the award. Seven packs and two troops represented at the Round Table received the streamer. Troop 86 also received the status of First Class Scouts. Present at the Round Table to receive the awards were Scoutmaster Ray Atwood, Assistant Scoutmaster Bill Young, Committeeman Dick Harland and Scouts Roger Eberman, Mike Roepenack and Terry Senesman.

Both the Women's Auxiliary of Troop 86 and Boy Scouts committeemen will have their regular meeting at 8 p. m. at Channel Lake School, Wednesday, Jan. 25.

Mrs. Dorothy Olson, assistant cook at the Channel Lake School, is at home with a ruptured disc in her back. Mrs. Olson will be unable to return to her duties for at least another week.

There were not enough officers present at the meeting of the Channel Lake Community Club Jan. 10 to hold an official meeting. President Lewis Rogers and Treasurer Lois Ward were both confined to their homes by illness. However, members present "carried on" with the business of the club, postponing action on business before the Club until the next regular meeting of the club in February.

Hot lunch chairman Pat Harland resigned from her duties on the hot lunch program, asking that she be replaced as soon as possible. Mrs. Harland has done a quietly efficient job in this position for three years and it will be difficult, if not impossible, to replace her.

Scoutmaster Ray Atwood and Assistant Scoutmaster Bill Young were present to report on activities of the Scouts and asked the Club to finance the purchase of further camping equipment for the use of the boys next summer. A trailer, which was badly needed to transport equipment on camping trips, was donated to the Scouts by Lewis Rogers. However, it will need repairs and some remodeling to put it in shape for use for the Scouts.

Mr. Atwood announced that he is hopeful that at least thirteen of the 18 Scouts who are regular members of the troop will be able to go to Camp Ma-Ka-Ja-Wan this next summer. In this way, they will be able to have their own camping area and can be accompanied by Mr. Atwood and two other adult leaders.

The birthdays of Tom Chase and his father, Paul, are about a month apart, but they celebrated both occasions with a party at the home of Tom Chase Sunday night. Tom's birthday is Jan. 16, Paul's Feb. 13, but Paul will be away from home on a trip at that time. The wives of the two men presented them with a pool table. Guests at the party were Mr. and Mrs. Harry Anderson of Richmond, Mr. and Mrs. Francis Heck, Mr. and Mrs. Peter Peck, Mrs. Mary McCarthy, Mrs. Tom Runyard and Fred Runyard, and the William

Chase family. A buffet supper was served.

Mr. and Mrs. Bill Morris of Antioch are parents of a baby girl, born Tuesday, January 10. Mrs. Morris is the sister of Mrs. William Chase. Tom Runyard and Tom Potter are spending a week fishing at Portage, Wis.

The Couples Club met at the home of Mr. and Mrs. Harry Weiss on Wednesday, Jan. 11. Club members present were Mr. and Mrs. Clarence Spiering, Mr. and Mrs. Robert Hess, Mr. and Mrs. Frank Hennig, Mr. and Mrs. William Frey, Mrs. Katharine Archer and Mrs. Lois Liess. A luncheon was served and the afternoon spent playing cards.

Mrs. Dorothy Chase was hostess at a demonstration party in her home on Monday, Jan. 9. A breakfast of rolls and coffee was served to the ladies present.

Hank Kubicki of Sun-Side Subdivision has opened the Welco Gas Station, on Route 21, south of Antioch, which has been closed for some time. Hank is the leader of the Rhythm Kings, a band which plays for many of the dances in this area.

Pat Runyard celebrated his birthday Jan. 3 with a party for some of his young friends. Guests were Joan and Judy Bjork, Lance Trussell, LuAnn, Betsy and Judy McKinney and Kathy and Paul Chase. Cake and ice cream were served.

The Blaine Rings moved from Channel Lake to a home on Tiffany Road on Jan. 7.

Dan Runyard, home on leave for the Christmas holidays, returned to his duties in the Navy on Jan. 9.

The Highway Department really went all out on Lake Avenue last week—lots of new traffic signs. Keeps you on your toes.

At the P. T. A. meeting at the schoolhouse Jan. 18 at 8 p. m. members of the school board will be present to discuss the upcoming gym referendum, and to answer questions from the audience.

Little "Casey" Chase is recovered from her recent illness and is back in school.

The Happy Eight Club met at the home of Mrs. Marie Sima on Thursday, Jan. 5. Present were Theresa Krantz, Rose Hess, Marge Weiss, Dolly Spiering, Jane Frey, Lois Liess and Ogot Hennig. A delightful lunch was served by Mrs. Sima.

John Ulbrich, Lake Avenue, who suffered a heart attack a couple of weeks ago, is convalescing at home. Mrs. Ulbrich has been bedridden for over two years, and visits from friends and neighbors would be appreciated.

David Lemke is confined to his home with chickenpox.

John Weldin, home for the Christmas holidays, returned to San Diego and his duties in the Marine Corps, Jan. 10.

Many men in the neighborhood are home because of the recent shutdown of the American Motors plant in Kenosha. Wives barely had time to draw a deep breath after the return of their children to school, and now they have their husbands underfoot all day. . . life can be difficult.

## Harold J. Strang Dies; Grayslake Mortician

GRAYSLAKE—Funeral services for Harold J. "Doc" Strang, 62, owner of the Strang Funeral Chapel in Grayslake, were held Jan. 8 in the chapel with the Rev. Stephen Liddicoat and the Rev. Raymond Lord, both of the United Protestant Church, officiating.

Burial was in Avon Cemetery, Grayslake.

Mr. Strang died Jan. 4 in his home, following a stroke suffered Dec. 20.

Born Nov. 12, 1898, at Waukegan, he came to Grayslake as an infant, and lived here the rest of his life. His father, George E. Strang, started the Strang Chapel in Grayslake in 1898 and operated it until Harold took over ownership in April, 1928. Harold continued in the business until 1953, when his son, David G., became jointly associated with the firm.

Mr. Strang was a charter member of the United Protestant Church of Grayslake. He was a member of the Rising Sun Masonic Lodge A. F. & A. M., Grayslake; Sorosis Chapter 329 OES; Grayslake Chamber of Commerce; Lake County Firemen's Association; Illinois and National Funeral Directors Associations; past president and inactive member, after 30 years' service, of the Grayslake Volunteer Fire Dept. He served in World War I and was a member of the Grayslake American Legion Post.

Surviving are his wife, Gertrude; two sons, David and Thomas; a daughter, Mrs. Robert H. Babcock; a sister, Mrs. Robert L. Washburn and three grandchildren, all of Grayslake; and a brother, Lee, of Antioch.

## Mrs. T. Flanagan Elected President Of Club Auxiliary

By Mrs. Bernice Bernau  
Elliot 6-5449

LINDENHURST—Mrs. Ted (Lois) Flanagan was unanimously elected president of the Women's Auxiliary to the Lindenhurst Men's Club last Thursday. Mrs. James (Babe) Hartwig withdrew from the election. Mrs. Harold (Esther) Sokup was elected first vice president and Mrs. Fred (Esther) LaChance second vice-president when there was a tie vote for office. Mrs. Raymond (Dorothy) Verdict was named secretary and Mrs. Paul (Betty) Ireland, treasurer.

Mrs. John (Grace) Slove, Mrs. Warren (Dee) Flint and Mrs. Floyd (Lu) Stanley were elected to the executive board.

Congratulations to Mr. and Mrs. Clifford (Alma) Kleneberger of Fairfield Road on the birth of their sixth child. Shell Rae, 8 pounds, 6 ounces, was born Jan. 9 at the Zion Community Hospital. Dr. Lawrence Kalon of Zion was in attendance.

Other children of the couple are Barry, Dennis, Pamela, Trudy and Cheryl. Maternal grandparents are Mr. and Mrs. Ezra Kleneberger of Lisbon, N. Dak.

Mrs. Kleneberger has been a patient at Zion Hospital the past week, recovering from surgery.

Mrs. Rey (Barbara) Koepen of Fairfield Road was to be guest of honor at a baby shower last Tuesday evening at Mrs. Ed Bonovitz' home of Fairfield. She couldn't attend, however, as she gave birth to a child the previous Saturday.

Guests were Mmes. Babe Standford, Roberta Hazel, Marge Moffitt, Rose Witlock, Vicky Olszewski, and Frances Peleska from Round Lake. Several other ladies who couldn't attend, sent gifts.

The ladies played games, and toasted the new arrival, Timothy Rey, with champagne, brought over by the father.

The Wednesday Canasta Girls have named themselves "The Cut-Throats," "because that's the way they play." Last Wednesday they played at Mrs. Harriet Bonovitz' home on Fairfield. Roberta Hazel won first prize, Vicky Olszewski, second prize, Mary Lou Alward and Harriet, the booty prizes.

The Holy Name Society of the Prince of Peace Church in Lake Villa will open a membership drive in February. At the Feb. 7 meeting at church, they plan to have Jack Kunster, Chicago Daily News sportswriter, who will show some World Series films. Coffee and sandwiches will be served.

The Lindenhurst Bowling League banquet date has been set for May 13 at Sabatini's.

Welcome to Mr. and Mrs. Carl (Myrtle) Hildinger of Beck Road. They moved into their new home Sept. 23 from Wooster Lake.

They have been married 24 years and have four children. A son Rondal, is married and is in the Air Force in Lorado, Tex., and has a four-month-old daughter, Carol Ann, whom the Hildingers haven't seen.

Their oldest daughter is Mrs. Forest (Carol) Berg. Beverly, 18, works part time at the Lindenhurst Piggly Wiggly. Larry, 17, is a junior at Antioch High School.

Carl works for the Army and travels frequently.

Happy birthday to Connie Sue Nauer of Beck Road, who was 1 year old Jan. 13. Her parents are Henry and dHedy.

The regular monthly meeting of the Masters and Matrons of the Community Methodist Church in Lake Villa will be held at 8 p.m. Satur-

day in the basement of the church. Hosts and hostesses for the evening will be Mr. and Mrs. Luke Van Golen and Mr. and Mrs. Emory Holway. All members of the church are invited. Entertainment is being planned and refreshments will be served.

Helping Steven Smith of Pinecrest Lane celebrated his fifth birthday Jan. 15, were Mr. and Mrs. Chester Sawyer and their three children, Mrs. Robert Davis and her five children, Mr. and Mrs. Frank Davis, Mr. and Mrs. Walter Roos and Mr. and Mrs. Martin Bergmark.

The Smiths have a daughter, Wendy, who will be three in April. The James Bernau family of Roselle and the Robert Bernau family of Sauganash Park were Sunday dinner guests of the Ed Bernau family on White Oak Drive. The boys are brothers.

Mr. and Mrs. Albert (Norma) Gibbs of Thornwood Drive are newcomers to Lindenhurst. They formerly lived at Chicago Avenue and Laramie in Chicago. They have been married six and a half years and have three children, Sharon 5, Cindy 3 and Michael, 18 months. Norma spends her spare time sewing, making drapes, and reading, and has joined the "Wood-Chicks" club. Al enjoys fishing and bowling.

Dominic DiSilvestro of Deerpath Road was a patient at St. Theresa Hospital last week for minor surgery.

The P.T.A. of the Lake Villa school sponsors a roller skating party at Rollin' Wheels rink at Twin Lakes, Wis., every third Saturday of the month. The bus leaves from the Lake Villa school at 12:30 p.m. and returns about 4:30 p.m. Chaparrones are needed.

Louis Meglio of Sprucewood Lane returned to school Monday after being home since Dec. 7, when he suffered a slight skull fracture while supervising a game at school. Louis thanks his neighbors, friends and classmates for their thoughtfulness, cards and gifts.

Harry Meeker of Chestnut Circle underwent surgery on his eye Thursday at Victory Memorial Hospital. He is expected home Tuesday.

## Fiction, Hobby and History Among Newest Books at Township Library

Each month a number of fine books are added to the book collection of the Antioch Township Library as memorials.

"A Journey to the Centre of the Earth" is one of the most fascinating of the imaginative writings of Jules Verne . . . perhaps because it is, unlike his other fiction, still unrealized by modern science. The new Dodd-Mead illustrated classic edition of "A Journey to the Centre of the Earth" is now available at the library in memory of Mrs. Helen J. Sharrer, the mother of Justine Lubkeman.

Shutter bugs will be glad of the opportunity to read Aaron Sussman's book, "The Amateur Photographer's Handbook." Every aspect of photography, in color and in black and white, is discussed from the purchase of the camera to the developing and printing of pictures. "The Amateur Photographer's Handbook" was given to the library in memory of Arthur Melos.

The adult and juvenile history sections of the library are widely used by both the casual reader and the student. The library welcomes the addition of three fine volumes of American history in memory of Thomas Masek.

From the writings of historians of the past, Walter Havighurst, has culled accounts of the exploration and development of our own great Midwest in "Land of the Long Horizons." From the journey of Jean Nicolet to Middleton U.S.A., is a long road but the past of the Midwest is still very much a part of our present with new discoveries of Indian prehistory still being made.

What Walter Havighurst wrote of the Midwest is paralleled by Harriet T. Kane's pictorial history of the Old South, "Gone Are the Days." Between the ravages of the Spanish conquistador and the surrender at Appomattox, the Southern States enjoyed a way of life unique in many ways. That way of life has gone forever but Mr. Kane's pictures and text recapture its flavor and beauty.

## Revenue Chief Explains Forms

The shorter two-page Form 1040W provided for 1960 Federal income tax filing was explained today by Harold R. All, director of Internal Revenue for the Chicago District.

All said the return can be used by any individual whose income consisted of salary and wages, regardless of amount, and not more than \$200 income from interest and dividends.

Husband and wife whose combined income meets these tests may file a joint return on Form 1040W, he said.

He added: "The two-page form is designed to allow taxpayers in any income category the benefits of (1) 'head of household' or 'surviving spouse' status; (2) sick pay exclusion; (3) dividends received credit; (4) estimated tax payment credit; and (5) itemizing deductions for contributions, interest payments, medical expenses and the like."

He said taxpayers with dividend and interest income in excess of \$200, or with any other income such as capital gains, retirement income, rents, royalties, business or professional income, etc., must still file on regular Form 1040.

## Tip on Withholding - It Won't Save You Money, It Might Ease the Pain

Federal income taxpayers, faced at tax time with large additional payments to satisfy their indebtedness to Uncle Sam, because of under-withholding, have a way out in future years, according to Harold R. All, Chicago district director of the Internal Revenue Service.

Additional sums may be added to taxes already being withheld by the employer in cases of this kind, All said.

"There are various ways of doing this," he added. "If a taxpayer finds himself owing an additional \$100 or more of tax at year's end, he may reduce the number of exemptions or dependency claimed by one or more, or he may claim zero exemptions for withholding pur-

poses. "This will automatically increase his withheld tax payments over the year by \$120 or more without affecting his right to claim these exemptions when he fills out his return."

"Taxpayers who find themselves owing lesser sums can, in most instances, arrange with their paymasters or disbursing offices to increase their withholding \$2 or \$3 per day per period or whatever approximate sum may be required to even out the tax owed."

In any event, All said, consulting the payroll office will probably enable the taxpayer to work out a withholding plan most suitable to his situation.

## Golden Glovers Get Set For Regional Tournament

KENOSHA, Wis.—The 21st annual Lake Shore Golden Gloves tournament will be held here Feb. 7, 13, 21 with entries expected from Lake and McHenry counties in Illinois, and Kenosha, Racine, Walworth and Rock counties in Wisconsin.

The amateur boxing meet is conducted under auspices of the Wisconsin AAU and supervised by the Wisconsin State Athletic Commission. Competition is in two divisions—novice for boys under 21 with little or no ring experience, and open division for boys over 21 or for entrants with four or more sanctioned bouts.

Winners in the open division will represent Wisconsin and northern

Illinois in the Tournament of Champions at Chicago Stadium in March. Champions will be crowned in eight weight classes in both divisions. Titles will be at stake at 112, 118, 126, 135, 147, 160, 175 pounds and in the heavyweight division.

Winners receive jackets and trophies and other special awards are made for sportsmanship, outstanding novice boxer, most promising novice, best comeback fighter, fightingest fighter, best open division boxer and team awards.

Entry blanks may be obtained by writing: Jim Barnhill, tournament director, Kenosha Evening News, 713 58th St., Kenosha.

## Salem Central Club to Hold School Meeting

By Frances M. Murphy

SALEM, WIS.—The Salem Community Club will hold its next meeting Monday evening, Jan. 23, at 8 p. m. at the Central High School.

The program will be in the nature of a panel discussion presented by the teachers, with John Dalley, guidance director, as moderator. Questions pertaining to school, education in general, and any others of interest will be answered by those

on the panel. The public is invited to submit questions before the program opens. All are invited to attend, members as well as non-members. The community club will serve lunch after the meeting.

### Extension Course To Be Offered

The University of Wisconsin, Extension Division, will offer a course—Education 181—Techniques of Guidance and Personnel Services at Salem Central High School beginning Monday, Jan. 30. This course may be of interest to individuals working in the fields of teaching and school administration. It includes discussion and practice in the principal methods used in guidance, such as observing, interviewing, testing, home visiting, record keeping, case study, and is open to graduate or undergraduates. Dr. Lawrence Blum, who received his Bachelor, Master and Doctor degrees from the University of Wisconsin, will be the instructor. Fees will be accepted at the first class session.

Salem Central High is located at Paddock Lake, near Highways 50 and 83. For further information, contact B. C. Tallent, director, Kenosha Extension Division, 625 52nd Street, Kenosha, Wis.

## Channel Lake Scouts Awarded 50th Anniversary Streamers for Service

By Mrs. Pearl Kapell

CHANNEL LAKE—Fiftieth Anniversary Awards were given out at the Scout Round Table held at Avon School Jan. 11. Both Troop 88 and Pack 86 of Channel Lake received the award. The streamers were given to each pack or troop of which 50% or more of its members earned the 50th Anniversary Award. Channel Lake was the only Scout group in the Northwest District of which both the Pack and the Troop received the award. Seven packs and two troops represented at the Round Table received the streamer. Troop 88 also received the status of First Class Scouts. Present at the Round Table to receive the awards were Scoutmaster Ray Atwood, Assistant Scoutmaster Bill Young, Committeeman Dick Harland and Scouts Roger Eberman, Mike Roepenack and Terry Seneman.

Both the Women's Auxiliary of Troop 88 and Boy Scouts committeemen will have their regular meeting at 8 p. m. at Channel Lake School, Wednesday, Jan. 25.

Mrs. Dorothy Olson, assistant cook at the Channel Lake School, is at home with a ruptured disc in her back. Mrs. Olson will be unable to return to her duties for at least another week.

There were not enough officers present at the meeting of the Channel Lake Community Club Jan. 10 to hold an official meeting. President Lewis Rogers and Treasurer Lois Ward were both confined to their homes by illness. However, members present "carried on" with the business of the club, postponing action on business before the Club until the next regular meeting of the club in February.

Hot lunch chairman Pat Harland resigned from her duties on the hot lunch program, asking that she be replaced as soon as possible. Mrs. Harland has done a quietly efficient job in this position for three years and it will be difficult, if not impossible, to replace her.

Scoutmaster Ray Atwood and Assistant Scoutmaster Bill Young were present to report on activities of the Scouts and asked the Club to finance the purchase of further camping equipment for the use of the boys next summer. A trailer, which was badly needed to transport equipment on camping trips, was donated to the Scouts by Lewis Rogers. However, it will need repairs and some remodeling to put it in shape for use for the Scouts.

Mr. Atwood announced that he is hopeful that at least thirteen of the 18 Scouts who are regular members of the troop will be able to go to Camp Ma-Ka-Ja-Wan this next summer. In this way, they will be able to have their own camping area and can be accompanied by Mr. Atwood and two other adult leaders.

The birthdays of Tom Chase and his father, Paul, are about a month apart, but they celebrated both occasions with a party at the home of Tom Chase Sunday night. Tom's birthday is Jan. 16, Paul's Feb. 13, but Paul will be away from home on a trip at that time. The wives of the two men presented them with a pool table. Guests at the party were Mr. and Mrs. Harry Anderson of Richmond, Mr. and Mrs. Francis Heck, Mr. and Mrs. Peter Peck, Mrs. Mary McCarthy, Mrs. Tom Runyard and Fred Runyard, and the William

Chase family. A buffet supper was served.

Mr. and Mrs. Bill Morris of Antioch are parents of a baby girl, born Tuesday, January 10. Mrs. Morris is the sister of Mrs. William Chase. Tom Runyard and Tom Potter are spending a week fishing at Portage, Wis.

The Couples Club met at the home of Mr. and Mrs. Harry Weiss on Wednesday, Jan. 11. Club members present were Mr. and Mrs. Clarence Spiering, Mr. and Mrs. Robert Hess, Mr. and Mrs. Frank Hennig, Mr. and Mrs. William Frey, Mrs. Katharine Archer and Mrs. Lois Liess. A luncheon was served and the afternoon spent playing cards.

Mrs. Dorothy Chase was hostess at a demonstration party in her home on Monday, Jan. 9. A breakfast of rolls and coffee was served to the ladies present.

Hank Kubicki of Sun-Side Subdivision has opened the Welco Gas Station, on Route 21, south of Antioch, which has been closed for some time. Hank is the leader of the Rhythm Kings, a band which plays for many of the dances in this area.

Pat Runyard celebrated his birthday Jan. 3 with a party for some of his young friends. Guests were Joan and Judy Bjork, Lance Truesell, LuAnn, Betsy and Judy McKinney and Kathy and Paul Chase. Cake and ice cream were served.

The Blaine Rings moved from Channel Lake to a home on Tiffany Road on Jan. 7.

Dan Runyard, home on leave for the Christmas holidays, returned to his duties in the Navy on Jan. 9.

The Highway Department really went all out on Lake Avenue last week—lots of new traffic signs. Keeps you on your toes.

At the P. T. A. meeting at the schoolhouse Jan. 18 at 8 p. m. members of the school board will be present to discuss the upcoming gym referendum, and to answer questions from the audience.

"Little Casey" Chase is recovered from her recent illness and is back in school.

The Happy Eight Club met at the home of Mrs. Marie Sima on Thursday, Jan. 5. Present were Theresa Krantz, Rose Hess, Marge Weiss, Dolly Spiering, Jane Frey, Lois Liess and Ogot Hennig. A delightful lunch was served by Mrs. Sima.

John Ulbrich, Lake Avenue, who suffered a heart attack a couple of weeks ago, is convalescing at home. Mrs. Ulbrich has been bedridden for over two years, and visits from friends and neighbors would be appreciated.

David Lemke is confined to his home with chickenpox. John Weldin, home for the Christmas holidays, returned to San Diego and his duties in the Marine Corps, Jan. 10. Many men in the neighborhood are home because of the recent shutdown of the American Motors plant in Kenosha. Wives barely had time to draw a deep breath after the return of their children to school, and now they have their husbands underfoot all day. . . life can be difficult.

## Harold J. Strang Dies; Grayslake Mortician

GRAYSLAKE—Funeral services for Harold J. "Doc" Strang, 62, owner of the Strang Funeral Chapel in Grayslake, were held Jan. 8 in the chapel with the Rev. Stephen Liddicoat and the Rev. Raymond Lord, both of the United Protestant Church, officiating.

Burial was in Avon Cemetery, Grayslake. Mr. Strang died Jan. 4 in his home, following a stroke suffered Dec. 20.

Born Nov. 12, 1898, at Waukegan, he came to Grayslake as an infant, and lived here the rest of his life.

His father, George E. Strang, started the Strang Chapel in Grayslake in 1898 and operated it until Harold took over ownership in April, 1926. Harold continued in the business until 1953, when his son, David G., became jointly associated with the firm.

Mr. Strang was a charter member of the United Protestant Church of Grayslake. He was a member of the Rising Sun Masonic Lodge A. F. & A. M., Grayslake; Sorosis Chapter 329 OES; Grayslake Chamber of Commerce; Lake County Firemen's Association; Illinois and National Funeral Directors Associations; past president and inactive member, after 30 years' service, of the Grayslake Volunteer Fire Dept. He served in World War I and was a member of the Grayslake American Legion Post.

Surviving are his wife, Gertrude; two sons, David and Thomas; a daughter, Mrs. Robert H. Babcock; a sister, Mrs. Robert L. Washburn and three grandchildren, all of Grayslake; and a brother, Lee, of Antioch.

## Mrs. T. Flanagan Elected President Of Club Auxiliary

By Mrs. Bernice Bernau  
Elliot 6-5440

LINDENHURST—Mrs. Ted (Lois) Flanagan was unanimously elected president of the Women's Auxiliary to the Lindenhurst Men's Club last Thursday. Mrs. James (Babe) Hartwig withdrew from the election. Mrs. Harold (Esther) Sokup was elected first vice president and Mrs. Fred (Esther) LaChance second vice-president when there was a tie vote for office. Mrs. Raymond (Dorothy) Verdick was named secretary and Mrs. Paul (Betty) Ireland, treasurer.

Mrs. John (Grace) Slove, Mrs. Warren (Dee) Flint and Mrs. Floyd (Lu) Stanley were elected to the executive board.

Congratulations to Mr. and Mrs. Clifford (Alma) Kienberger of Fairfield Road on the birth of their sixth child. Shell Rae, 8 pounds, 8 ounces, was born Jan. 9 at the Zion Community Hospital. Dr. Lawrence Kalon of Zion was in attendance.

Other children of the couple are Barry, Dennis, Pamela, Trudy and Cheryl. Maternal grandparents are Mr. and Mrs. Ezra Kienberger of Lisbon, N. Dak.

Mrs. Kienberger has been a patient at Zion Hospital the past week, recovering from surgery.

Mrs. Rey (Barbara) Koepfen of Fairfield Road was to be guest of honor at a baby shower last Tuesday evening at Mrs. Ed Bonovitz' home of Fairfield. She couldn't attend, however, as she gave birth to a child the previous Saturday.

Guests were Mmes. Babe Standiford, Roberta Hazel, Marge Moffitt, Rose Witlock, Vicky Olszewski, and Frances Peleska from Round Lake. Several other ladies who couldn't attend, sent gifts.

The ladies played games, and toasted the new arrival, Timothy Rey, with champagne, brought over by the father.

The Wednesday Canasta Girls have named themselves "The Cut-Throats," "because that's the way they play." Last Wednesday they played at Mrs. Harriet Bonovitz' home on Fairfield. Roberta Hazel won first prize, Vicky Olszewski, second prize, Mary Lou Alward and Harriet, the booby prizes.

The Holy Name Society of the Prince of Peace Church in Lake Villa will open a membership drive in February. At the Feb. 7 meeting at church, they plan to have Jack Kunster, Chicago Daily News sportswriter, who will show some World Series films. Coffee and sandwiches will be served.

The Lindenhurst Bowling League banquet date has been set for May 13 at Sabatini's.

Welcome to Mr. and Mrs. Carl (Myrtle) Hildinger of Beck Road. They moved into their new home Sept. 23 from Wooster Lake.

They have been married 24 years and have four children. A son Rondal, is married and is in the Air Force in Lorado, Tex., and has a four-month-old daughter, Carol Ann, whom the Hildingers haven't seen.

Their oldest daughter is Mrs. Forest (Carol) Berg. Beverly, 18, works part time at the Lindenhurst Piggy Wiggly. Larry, 17, is a junior at Antioch High School.

Carl works for the Army and travels frequently.

Happy birthday to Connie Sue Nauer of Beck Road, who was 1 year old Jan. 13. Her parents are Henry and Hedy.

The regular monthly meeting of the Masters and Mates of the Community Methodist Church in Lake Villa will be held at 8 p. m. Satur-

day in the basement of the church. Hosts and hostesses for the evening will be Mr. and Mrs. Luke Van Golen and Mr. and Mrs. Emory Holway. All members of the church are invited. Entertainment is being planned and refreshments will be served.

Helping Steven Smith of Pine-crest Lane celebrated his fifth birthday Jan. 15, were Mr. and Mrs. Chester Sawyer and their three children, Mrs. Robert Davis and her five children, Mr. and Mrs. Frank Davis, Mr. and Mrs. Walter Roos and Mr. and Mrs. Martin Bergmark.

The Smiths have a daughter, Wendy, who will be three in April. The James Bernau family of Roselle and the Robert Bernau family of Sauganash Park were Sunday dinner guests of the Ed Bernau family on White Oak Drive. The boys are brothers.

Mr. and Mrs. Albert (Norma) Gibbs of Thornwood Drive are newcomers to Lindenhurst. They formerly lived at Chicago Avenue and Laramie in Chicago. They have been married six and a half years and have three children, Sharon 5, Cindy 3 and Michael, 18 months.

Norma spends her spare time sewing, making drapes, and reading, and has joined the "Wood-Checks" club. Al enjoys fishing and bowling.

Dominic DiSilvestro of Deerpath Road was a patient at St. Therese Hospital last week for minor surgery.

The P.T.A. of the Lake Villa school sponsors a roller skating party at Rollin' Wheels rink at Twin Lakes, Wis., every third Saturday of the month. The bus leaves from the Lake Villa school at 12:30 p. m. and returns about 4:30 p. m. Chap-erones are needed.

Louis Meglio of Sprucewood Lane returned to school Monday after being home since Dec. 7, when he suffered a slight skull fracture while supervising a game at school. Louis thanks his neighbors, friends and classmates for their thoughtfulness, cards and gifts.

Harry Meeker of Chestnut Circle underwent surgery on his eye Thursday at Victory Memorial Hospital. He is expected home Tuesday.

## Fiction, Hobby and History Among Newest Books at Township Library

Each month a number of fine books are added to the book collection of the Antioch Township Library as memorials.

"A Journey to the Centre of the Earth" is one of the most fascinating of the imaginative writings of Jules Verne . . . perhaps because it is, unlike his other fiction, still unrealized by modern science. The new Dodd-Mead illustrated classic edition of "A Journey to the Centre of the Earth" is now available at the library in memory of Mrs. Helen J. Sharrer, the mother of Justine Lubkeman.

Shutter bugs will be glad of the opportunity to read Aaron Sussman's book, "The Amateur Photographer's Handbook." Every aspect of photography, in color and in black and white, is discussed from the purchase of the camera to the developing and printing of pictures. "The Amateur Photographer's Handbook" was given to the library in memory of Arthur Melosi.

The adult and juvenile history sections of the library are widely used by both the casual reader and the student. The library welcomes the addition of three fine volumes of American history in memory of Thomas Masek.

From the writings of historians of the past, Walter Havighurst, has culled accounts of the exploration and development of our own great Midwest in "Land of the Long Horizons." From the journey of Jean Nicolet to Middleton, U.S.A., is a long road but the past of the Midwest is still very much a part of our present with new discoveries of Indian prehistory still being made.

What Walter Havighurst wrote of the Midwest is paralleled by Har- nett T. Kane's pictorial history of the Old South, "Gone Are the Days." Between the ravages of the Spanish conquistador and the surrender at Appomattox, the Southern States underwent a way of life unique in many ways. That way of life has gone forever but Mr. Kane's pictures and text recapture its flavor and beauty.

## County Health Department Adds Two to Staff

The addition of two new staff sanitarians to the Environmental Health Division of the Lake County Health Department was announced today by John G. Morris, chief sanitary engineer.

The new staff members are Rob-

ert Urbanek and Harry Bernhard. Urbanek is a graduate of Michigan State University, where he received a B. S. in biology. He comes to the Health Department from a position as an aquatic biologist with the Illinois Department of Conservation, Fisheries Division.

Bernhard is a graduate of Northern Illinois University, where he received a B. S. degree with a major in biology and a minor in health education. He has also done additional work at Roosevelt University in Chicago. Bernhard has taught

school in Calumet City and Glenwood, Ill., and has more recently been in the Quality Control Division of Libby, McNeill and Libby of Blue Island.

Morris added, that with the addition of these two staff members the Environmental Health Division will be able to provide all of Lake County with more comprehensive sanitation services. In order to insure this service, staff members supervised by the senior sanitarians have been assigned certain geographical areas in the county.

Senior Sanitarian, Ward Duell and staff sanitarians Donald Strong and William Mellen, will work out of the Libertyville, sub-office of the Health Department and be responsible for the townships of Antioch, Newport, Grant, Lake Villa, Avon and Warren.

C. L. Helgren, staff sanitarian, will continue to carry out the milk program throughout the entire county.

The functions of the Environmental Health Division of the Lake County Health Department include: Supervision of private water supplies, sewage disposal systems, food handling facilities, public swimming areas, summer camps and trailer courts; inspection of milk producing and processing facilities; investigation of health hazard complaints and lake and stream pollution; and Advisory and consultation services on health conditions in industry and business, radiation hazards, air pollution and housing.

## Educators To Debate U. S. School Aid

A debate on "Federal Aid to Education" will be held at the Lake Forest High School auditorium, Monday, Jan. 23, at 8 p.m.

Speakers for the evening will be Dr. John R. Miles, manager of the education department of the Chamber of Commerce of the United States, Washington, D.C., and Dr. Thaddeus P. Kawalek, superintendent of schools, Brookfield, Ill.

The program is being presented by Sections II, III, and IV of the North Lakes Division of the Illinois Education Association. The seven sections in the division comprise all Lake County educators.

George G. Crawford, Waukegan, will serve as moderator.

Dr. Miles, who has been with the national chamber of commerce since 1948 and holds an MA degree and a PhD from the Ohio State University, will present the opposing side of federal aid to education.

The affirmative side of the issue will be presented by Dr. Kawalek. He has held his position in Brookfield since 1958 and received both his MA and PhD degrees from the University of Chicago.

The debate will be open to the general public and there will be no charge for admission. The Lake Forest High School auditorium seats approximately 800 people and a large turn-out is anticipated.

## \$620,000 For Schools In Lakes Area

LAKES REGION, Wis.—The Lakes Region area moves into the year 1961 with school construction of approximately \$620,000 on the drawing boards, and a \$168,000 project wrapped up as completed in 1960.

A major project in the county's elementary school system is the \$350,000 plant of the Cottage School District of Twin Lakes. The cost figure includes a 19.9 acre site, 12 classrooms, a general office, principal's office, teachers' room, health room, kitchen and shower rooms, plus an auditorium-gymnasium that will be located in the front of the building.

Seven acres of the building site have been cleared for the new structure, parking and play area, and the remainder of the tract is wooded. Classes are now held in the school, the Village hall and the fire station. Completion is scheduled for the start of the 1961 term.

Also scheduled to be ready by September of this year is the \$95,000 addition to Salem Central High School at Paddock Lake, approved by electors of the district in December. The five-room addition will be constructed at the west side of the present building.

The situation at Brighton Consolidated School, now occupying the U. S. Army Engineering office building at abandoned Bong Air Base, was described as static and in a "wait-and-see" period, hinging on developments in the program to dispose of the tract. Residents of the area authorized construction of a \$175,000 school to meet growing demands for classroom space in the district.

Written off as completed in 1960 was the addition at Salem Consolidated School that gave students five more classrooms, gymnasium and shower facilities, additional wash-room facilities, a remodeled kitchen, a music room and a new boiler. Cost of the completed program was \$169,000, and the school now has 18 classrooms which are expected to be adequate when student population reaches its peak in two years.

Terry Abner of Alton, Ill., spent a few days at the home of Mr. and Mrs. Fred Bartlett, Jr.

Mrs. Fred Bartlett, Sr., entertained the following children and their families at her home Sunday in observance of her birthday: Mr. and Mrs. Clifford Bartlett and daughters, Suzann and Sandra, and son, Scott; Mr. and Mrs. Fred Bartlett, Jr. and daughters, Carla and Carrie Ann; Mrs. Bernard Schneider, Mr. and Mrs. Raymond Bartlett and daughter, Donna Rae, and son, Eugene, from Waukegan. A buffet dinner was served. Highlight was the grandchildren singing "Happy Birthday Dear Grandmother."

## Local Artists Invited to Enter County Art Show

Amateur artists in the Antioch area are invited to submit their original paintings and other art items in the third Lake County Town and Country Art Show to be held in the Farm Bureau building on the Lake County fairgrounds Thursday, March 9. The show will be open to the public.

Two separate exhibits will be held, including those of artists of high school age and older, and those below high school. All entries will be judged by a judge from the University of Illinois. The highest scoring entries submitted by artists of high school age or older will be eligible for entry in the Illinois Town and Country Art Show.

Artists may submit up to three different paintings or other art items made during the past year. Paintings may be in oil, water colors, pencil, charcoal, pastels, ink, or any media on paper, canvas or flat surface. Ceramic pieces, metal enameling, wood carving, weaving, and other handicraft items can be entered.

A complete list of rules and procedures can be obtained by writing farm adviser Ray T. Nicholas, P. O. Box 177, or home adviser, Helen Volk, P. O. Box 356, Grayslake.

This show is sponsored by the Agricultural and Home Economics Extension Service of Lake County.

## Soil Erosion Aid to Farmers Is Part Of State Conservation Program

By Leland C. Smith  
County Horticultural Agent

Field terraces will increase corn yields by ten per cent and at the same time reduce soil losses by erosion by 55 per cent. Not only that, but the government is interested enough in saving this soil to share in the cost of installing these terraces.

Many corn fields in Kenosha County are losing their ability to produce corn efficiently because of the constant loss of topsoil by water erosion. These losses are not necessary because much can be done to stop soil washing. Each rain takes many dollars down the creek in the form of valuable top-soil. The loss in nutrients alone is not small. Analyses have been made of the sediment that was washed off the open fields and it was found that it contained three times as much organic matter and phosphorus, and 25 times as much potash as the top-soil from which it came.

What can be done? Erosion control practices should be put on these fields where erosion occurs. This means strip cropping or installing terraces. Terraces have certain advantages over strip cropping that are well worth considering, particularly for the farmer who raises many acres of corn, soybeans or vegetable crops. The fields don't have to be divided into sod and row crops. Terraces provide positive erosion control so sod isn't the necessary control factor as in strips. A shorter rotation can be used on terraced fields than on strip cropping areas. Pasturing, hogging down corn and fencing are all easier on terraced fields.

Terraces can be built by the farmer with his own tractor and

plow. After the Soil Conservation Service technician lays out the terraces they can be plowed in at the rate of about a hundred feet per hour. A highway patrol grader can build from 300 to 400 feet per hour, according to Tony Marini, the S.C.S. technician. The road grader works better than a plow where small cuts and fills have to be made.

Seventy-five per cent of the approved cost of construction of terraces will be paid to the landowner who builds terraces. In addition to that, if stone obstructions or hedgerows have to be removed to build the terraces, the A.C.P. will share fifty per cent of those costs.

Anyone interested in farming efficiently and saving his soil, can get more information at the county agent's office.

## Special Credit

College credit courses designed to assist teachers in this area to advance themselves professionally will begin Feb. 6, 7 and 8 at Barrington Consolidated High School, it was announced today.

Courses will be offered in special English and industrial psychology, at a cost of between \$24-\$27 per semester. Courses will be administered by Northern Illinois University, DeKalb, and University of Illinois Extension Service.

Also to be offered, starting in February, will be non-credit courses in political democracy, music appreciation and golfing.

A similar program is being offered at Waukegan High School, starting next month, also to be administered by Northern Illinois U.
